*Delicious & Healthy*

## **Who we are**

Agroindustrial Ñiquen S.A. is family company runs for their own owners.

We have more than 18 years of experience in the market, Agroindustrial Ñiquen S.A. produces frozen fruits and vegetables that are exported to North America, South America, Europe and Asia.

Besides stocking up from local procedures, it has its own orchards of Blackberries which assure stability in supplies and quality. Also, it has its own infrastructure for the frozen process, with continental tunnels, static tunnels, and frozen chambers suitable for the requirements of the customers.

## **Location**

Agroindustrial Ñiquen S.A. is located in the central-south part of Chile ( in the Bío-Bío Region), a place uniquely privileged because of its fertile valleys.

In addition, this area Boasts a special climate and favorable sanitary conditions, ideal for the production of fruits and vegetables for the exportation due to the optimal quality of the growing conditions (Strawberries, Raspberries, Blackberries and Asparagus among others).
