Gourmet Quality Spices

COMPANY PRESENTATION

Sagmann / Tucson Spiced is a company specialized in the elaboration of Gourmet-type mixed spices under strict quality control in our own formulas and with the guarantee of being one hundred percent pure, natural and unique, being the result of more than forty years of culinary experience.

Sagmann / Tucson Spiced is a Mexican company with physical personality with business activity, property and responsibility of Manuel Saviñón González De Cosío, PH & WA +52 442 219 0161. sagmann@yahoo.com. <https://www.facebook.com/Sagmann-403883477047714>.

We are also a Boutique company, we develop, elaborate any type of mixture, we investigate new products and projects, we innovate, we reinvent the correct ways to season as well as make-up on demand for other companies to successfully meet their needs and requirements for our brands, as well as for those of our clients.

Now we have more than one hundred varieties of mixtures, own and from other world regions such as Garam Masala, Ras El Hanout, Rubs, Advieh, Zaatar, Tandoori Masala, Tarka Dal, Baharat, among others.

We can make any kind of presentation, in bulk, jars, labeling, packaging, as our clients require.

Our Registrations; COFEPRIS 202201518X1284, FDA 17194160880, DUNS 951593683.

We have good production capacity; we adequate places for production without losing our quality and good practices in food handling at any time.

Payments are through banking transfers accounts and depending on the amount of the order is the delivery time without losing the previously contracted delivery commitment date, prices are in US dollars and advance payments at the beginning and later open to advance percentage payments and on delivery and open to subsequent negotiations for credit contracts, commercial alliances, agreements and other contracts.

SINCERELY
