

THE FUTURE IS DIFFERENT

## NEXT GEN

### iTARRA ROBOTIC HYBRID ELECTRIC TRACTOR

iTarra tractors are the worlds next generation of autonomous tractors and machinery platform.

- Worlds first multi-industry Driverless Smart Tractor
- Multi Operational Drive Modes - Autonomous | VR | AR | RC
- Most efficient Diesel or Gas-Electric Powered Tractor
- Energy efficient - No Recharging - No Downtime
- Ground breaking Adaptive Load Sensing & Traction Technology

### PARTNERING WITH THE WORLD'S BEST EQUIPMENT

- Transforming the world' s best branded equipment to Autonomous & Electric
- Connecting you to an Intelligent cloud-based data platform
- A world' s first partnership platform connecting the best branded equipment

## Multi-Drive Modes

- ✓ Autonomous Drive
- ✓ Virtual Reality
- ✓ Radio Control
- ✓ I Phone App

### Autonomous Drive

Let Auto Drive do the work.

Through GPS field mapping, such as Topcon's, collect & use valuable data.

Monitor progress in the field through augmented reality program.

Control multiple machines at the same time.

## Virtual Reality

## VR Control

Virtual Reality Mode allows you to carry out tasks in human restricted dangerous areas,  
from anywhere in the world.

## RC Control

Radio Control allows manual operation of the system on the ground.

iTarra must remain within line of sight to operate in this mode.

All the Power You'll Ever Need

## Re-Gen™

World's Most Efficient Power System – 400v of Electricity – Auto Charge Booster

Mobile electricity power source providing lower cost power in the field.

A Platform to transform machinery to electric.

Lowest emissions making it the most Environmentally friendly system.

## Connecting world class OEM Construction equipment brands

- EXCAVATIONS
  - DEMOLITION
- RECLAMATION & DRAINAGE
  - CIVIL ENGINEERING
    - UTILITIES
- MOTORWAY MAINTENANCE
  - MINING
- CRUSHING & SCREENING
- CRANAGE & LIFTING

## Connecting world class OEM Industrial equipment brands

- RENTAL
- MANUFACTURING
- OEM SOLUTIONS
- WASTE & RECYCLING
  - OIL & GAS
  - CHEMICALS
  - ENERGY
  - AVIATION
- POWER GENERATOR
  - RAIL

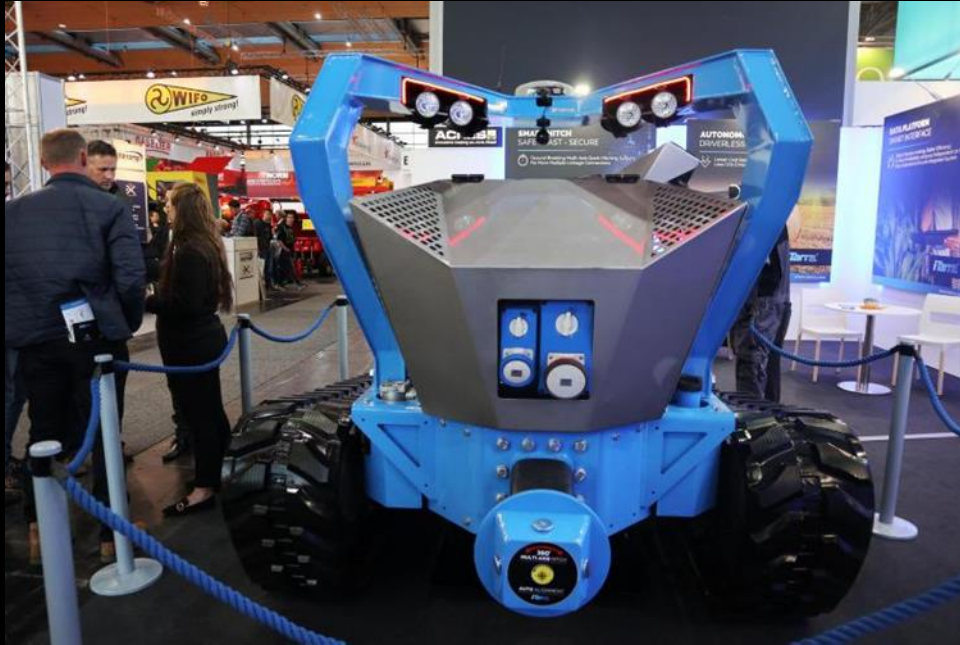

## Connecting world class OEM Defense equipment brands

- MILITARY
- AID & DISASTERS
- SECURITY
- LOGISTICS
- GOVERNMENT & LOCAL AUTHORTIES

## Connecting world class OEM Agricultural equipment brands

- HAY EQUIPMENT
  - FORAGE
- TILLAGE & PLANTING
  - CULTIVATION
  - FEEDING
- CROP SPRAYING & TREATMENT
  - HORTICULTURE
  - GROUND CARE
  - FORESTRY
