trading**

Why trade?

on the CBC Negócios platform?

1

It's safe

All trades are recorded on your profile and deals are finalized with greater transparency and greater control for companies.

2

It's quick

In five minutes you can see all the offers available, deal with those you're interested in and close the trade.

3

It's wide-ranging

Access a very broad network of contacts, with offers from all over Brazil.

4

It's low cost

With CBC Negócios, you cut costs and increase liquidity.

Security

We offer a safe environment that uses the same technology as the big banks.

Developed and monitored by one of the largest companies in the segment.

CMA, a company with 50 years of experience, uses the highest technology in developing their systems, the same technology and security used by financial institutions (banks).
