

PURO ALOE VERA SINGLE

80 gram bar packed in bilaminate polypropylene case.

PRODUCT DESCRIPTION

The Puro Aloe Vera dermolimpiadora bar acts as a very effective humectant in the skin, and its main component has the capacity to transport nutrients and hydrate in depth, it is absorbed quickly resulting in a moisturized and healthy skin. It is quickly absorbed, so that it easily penetrates the skin and moisturizes all the dermal layers.

INSTRUCTIONS FOR USE

In the morning and in the evening wash your face and body, gently sliding Puro Aloe Vera on the surface of the skin, with circular movements. Allow a thin layer of Puro Aloe Vera to remain for a few moments in contact with your skin and then rinse with plenty of water, to leave clean and soft, with a feeling of invigorating freshness.
