

## Persian Lime Export Offer – AG Comercializadora

AG Comercializadora is a Mexican export company based in Veracruz. We work closely with certified producers of Persian lime to deliver top-quality fruit to major markets in the United States and Canada. Our model is based on direct relationships, transparency, and efficiency, ensuring fresh products and competitive pricing.

### Production Partner – Frutimex

Frutimex del Centro de Veracruz S.A. de C.V. is a GlobalG.A.P., PrimusGFS, and SMETA-certified grower and packing operation based in Córdoba, Veracruz. With 150 hectares of proprietary production and over 1,000 hectares of partnered rural supply, they operate a fully certified packing facility with a capacity of 15 export containers per week.
