

# INTERPRETATION & TRANSLATION SERVICES

# ABOUT US

**Based in the heart of Argentina, we transcend boundaries to deliver your message, service, or product wherever it's needed**

Our team of certified professional translators and interpreters consistently exceeds client expectations. We stand out by our extensive experience, unwavering professionalism, reliability, broad availability and adaptability.

We offer in-person, remote, and hybrid interpreting services, in both consecutive and simultaneous modes.

Our versatility enables us to seamlessly adapt to any meeting or event, delivering consistent, high-quality interpreting services tailored to each client's specific requirements.

Our proven track record in all of these interpretation modalities ensures our clients can trust in us to enhance their global reach and standing.

We have experience in the following industries:

- Agriculture
- Biotechnology
- Port Terminals
- Oil, Mining, and Natural Gas
- Dairy and Livestock
- Power Plants
- Automotive and Agricultural Machinery

Other areas of expertise:

- NGOs (human rights, immigration, democracy, health, humanitarian aid, LGBTQ+ community, climate change)
- International Politics
- Medicine
- Financial Services and Insurance
- Immigrants Legal Assistance
