

ABASTO

FLAVORS CONNECTING CULTURES

OHWS WE ARE?

We believe that around a table offering the best each land has to offer, people share not

only food but also experiences, values, and create new opportunities.

We serve as a bridge for global gastronomy, enriching tables with the diverse flavors and traditions that make Latin America a vibrant and unique place.

ABASTO is a group of passionate professionals committed to **uniting cultures through food**.

¿WHAT WEDO?

We supply our clients with the best food products for their businesses.

Our **product mix** delivers the varieties desired by clients directly to their destination, without customs bureaucracy, and allows for pallet-based combinations from our catalog.

We create **commercial channels** for sustainable products from Latin America to the world.

Our service is tailored to the needs of producers and buyers seeking **new markets**.

We offer logistics, traceability, insurance, and customs consulting solutions to ensure **smooth and secure transactions.**

¿HOW WE DO IT?

Brokerage

With offices in Argentina, Brazil, Canada, Spain and Italy, we understand our clients and the regions in which they operate.

We offer matchmaking services to connect buyers and suppliers in a lasting, trust-based relationship, charging a commission per transaction.

Consulting

We assist in decision-making regarding new channels/markets that our clients are considering.

We conduct potential market studies and analyze different strategies to participate in them.

NOIS NOIS Wr can create strong and lasting commercial ties through food, resulting in mutual benefits for all parties involved.

COMMITMENT

With our clients, with our suppliers, and with the environment.

Z

IISSI

To provide traditional foods for those seeking healthy ingredients for their recipes.

CONVICTION

We can create solid relationships based on the transparency and trust that characterize us.

COLLABORATION

We facilitate cooperation and the creation of commercial and cultural ties.

We sincerely appreciate the time taken to get to know us.

We hope that, at some point, we will have the privilege of sharing a table filled with foods full of essence, where each flavor tells a story.

THANKS
