www.agrocrece.com

We are an agricultural company specialized in the production of fresh fruit with export projection. We have adequate surfaces that are located in different parts of the state of Morelos and other places like Veracruz, Aguascalientes, Jalisco and Chihuahua, with farm buildings, machinery and using the latest technology, including greenhouses and packing.

Agrocrece specializes in marketing of agricultural products, properly taking care of the requirements of adequate quality to customer satisfaction. We improve all supply chain in order to deliver our products to the right destination.

Our mission:

To be a Mexican company formed by socially responsible entrepreneurs across the agricultural production and marketing of quality. We would like to be recognized for our innovative ideas, certified hand work and updated technical assistance, increasing supply to meet the demand of our customers at home and abroad.

Our vision:

Agrocrece would like to be a globally company recognized for his quality in the products, and reliable services in the agricultural sector company.
