Dust-free on handling, it is developed with collagen and the most advanced Plex bleaching powder technology in Brazil, maintaining the integrity of the strands while reaching up to 9 tones and providing greater safety in all hair bleaching techniques in a uniform and effective way.

PROFESSIONAL HAIR *Brazil Collor*

BRAZIL COLLOR PERMANENT HAIR COLOUR CREAM

Amazon Flowers has just launched the Brazil Collor line, which is the permanent cream colouring with the lowest ammonia content on the market, as allows hair to be dyed with more durability and fixation.

Due to its exclusive KMC compound, developed based on Keratin, Macadamia Oil and Collagen, in addition to completely covering the white strands, it also nourishes and stabilizes the elasticity; resulting in beautiful hair, with sparkling and vivid colours.

Available in 42 shades.

SPECIAL COLLOR REVEALING EMULSION CREAMY HYDROGEN PEROXIDE

It has a stabilized formula and seaweed extract. To allow greater versatility in transformations, it is available in volumes 05, 10, 20, 30, 40 and 35, which helps to correct yellow tones during hair discoloration.

TOP PLEX GOLD Nº1 RECONSTRUCT COMPLEX

Versatile, it prevents damage when used before or during hair chemical procedures; and acts as a recovery treatment when used after any procedure.

It is rich in amino acids and reconstructive assets as batana oil and collagen, that restores hair mass and elasticity to result in a fortified hair.

TOP PLEX GOLD Nº2 REVERSE HAIR MASK

Developed based on silk protein, collagen, keratin and amino acids, this super powerful hair mask reverses the porous state of damaged and unstructured hair, making it nourished, revitalized, more resistant, moisturized and reconstructed, in addition to the golden particles that provide an extraordinary glow.

TOP PLEX GOLD Nº3 MOISTURIZING LEAVE-IN CC CREAM

Rich in thermal and sunlight protection assets, sericin and macadamia oil; it is a moisturizing leave-in that provides 10 benefits to the hair, including its reconstructive action that creates a protective membrane that surrounds the hair and protects it from the excessive heat of the flat irons and dryers, prolongs the hair treatment throughout the day and makes the hair silky, untangled, healthy and with the incredible shine provided by its golden particles.*

PROFESSIONAL LINE
RECONSTRUCTION TREATMENT

STOP QUEBRA THERAPY SOS NOURISH SHAMPOO

Designed especially for malnourished and damaged hair, it gently cleanses the hair with mango and cupuaçu extracts that prepares the hair to receive treatments, making it nourished and moisturized.

STOP QUEBRA THERAPY SOS RECONSTRUCT HAIR MASK

Its concentrated formula based on amino acids and Amazonian extracts recover the hair fibre, reconstructing and strengthening the elastic and fragile hair which experienced chemical procedures.

STOP QUEBRA THERAPY SOS INSTANT ANTI-RUBBERING FLUID

Developed with the most advanced technology for immediate repair of chemically damaged hair, it has microparticles of proteins and amino acids of low molecular weight, Omega 3, Omega 6 e Omega 9, instantly replenishing the capillary mass.

STOP QUEBRA THERAPY SOS CAUTER LEAVE-IN

The system based on silicones and keratin builds a protective layer that surrounds the strands, strengthening, aligning and reducing frizz while protecting against the excessive temperature of flat irons and dryers, resulting in hair shiny and silky

FIBER RESTORE THERMAL DUO RECONSTRUCTION CREAM

Being a repairer and reconstructor of the hair fibre, it replenishes the capillary mass and recovers damaged hair, sealing its cuticles and making the hair soft and smooth.

It contains the exclusive Amino Complex technology, based on hyaluronic acids, amino acids and lipids to reorganize the protein structure from the cortex to the cuticles of the strands, stabilizing the PH and balancing the positive and negative ions that are responsible for the discipline and natural volume of the hair.

Versatile and with thermal duo action, it can be used in cold or hot temperatures, as a single step, finisher or complement to other treatments, making hair healthy, untangled, shiny, conditioned, silky, natural and eliminating frizz.

PERFECT GOLD 24K NOURISH SHAMPOO AND CONDITIONING HAIR MASK

Developed to be used together, the nourishing shampoo and the conditioning hair mask have a golden formula, perfect for treating dull hair, cleansing and enhancing hair colours, revitalizing, restoring the structure, nourishing and performing a complete shine bath.

The premium hair hydration line was developed thinking about the importance of obtaining a highly effective hair cosmetic product, with the noblest active ingredients to guarantee healthy and soft hair.

XTREME REPAIR - HYDRATING HAIR MASK

Its exclusive formula quickly penetrates the hair fibre, acting inside out, restructuring the biomechanical physiology of the hair shaft, optimizing the absorption of nutrients and the dynamic reconstruction of the strands.

Contains Keratriplex, nanoparticles with triple action of keratin, which reaches the cortex by bio-ionic carriers, in addition to making it possible to maintain the CMC intracellular cement and total replacement of up to 20 amino acids.

Developed for damaged, dry and porous hair, it restores the hair mass and returns the elasticity and strength to the strands, rebuilding the integrity of the hair fibre and treating the hair, making it soft, shiny and untangled.

SUPREME NUTRITION - NOURISH HAIR MASK

Promoting the restoration of intracellular balance through the replacement of essential nutrients and oils present in the capillary structure. It has a nutri-lipid replacement complex, hydro cellular restoration, and technologies LUNA MATRIX and 18 MEA.

It is a treatment that brings back the health properties of a natural, restructured and nourished hair, reconnecting the internal structure, returning the necessary nutrients to balance the capillary fibre system for greater resistance of the strands, sealing the surface for more malleability, shine, resistance to breakage and freedom of split ends and frizz.

INTENSIFICARE AMINOPROTEIN PREMIUM WASHBASIN SHAMPOO

It acts with a mild cleaning that deposits ionic components that seals the polypeptide molecules and attract the reconstructive elements of the Conditioning Balm. Indicated for all types of hair, restores and rebuilds the hair, balancing the PH and the capillary structure.

The premium washbasin line has high performance and was developed to balance and regenerate hair using Fusion Ionic technology. When used unitedly, the shampoo and the balm offer a before and after chemical procedures reconstructive treatment, salt and paraben-free and withal a versatile and beautiful design.

INTENSIFICARE AMINOPROTEIN PREMIUM CONDITIONING BALM

Penetrating intensely and deeply into the strands, its efficient treatment acts from the internal structure to the surface of the hair, providing capillary fortification in addition to combating porosity and frizz, making the hair more beautiful, healthy, shiny and soft.

HIPER GLOSS INSTANT FILLER BASED ON HYALURONIC ACID

Fast, efficient and miraculous hydration that acts in just three minutes and is perfect for daily use in the shower. Based on hyaluronic acid, it instantly fills the hair fibre with water particles and rejuvenates the hair; making it more full-bodied and soft.
