

DORTE SOLUTIONS

SEU DESAFIO, NOSSA SOLUÇÃO.

DORTESOLUTIONS was founded with the aim of presenting solutions and innovations to clients and partners. In partnership with major players, we deliver results within the multimodal transportation segments, complete advice for COMEX, regulatory affairs, foreign exchange and others.

✓ **Mission:**

To be a company that offers customers solutions.

✓ **Vision:**

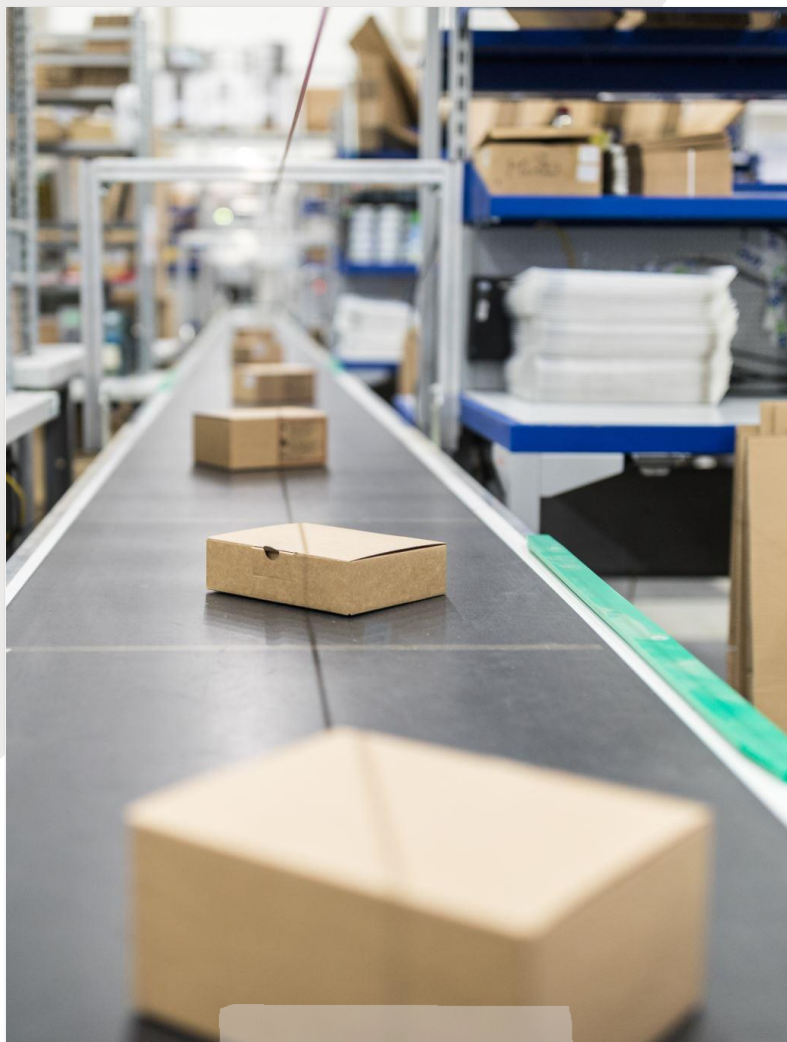

To be come one of the benchmarks in its field.

✓ **Values:**

Transparency, honesty, respect and sense of belong and loyalty.

SOLUTIONS

- ✓ **E-commerce:** warehousing, bulk and fractional transportation; consultancy, assembly, management and supply of inputs for the PA (support point or outpost).
- ✓ **General fractions:** transportation of the most varied products and goods.
- ✓ **COMEX:** storage and multimodal transportation; pick-up of goods at the port, airport and EADI. Removal and return of containers; fractional and bulk deliveries; full advisory services and foreign exchange.

✓ **Intermediation:**

We intermediate between producers (commodities)/manufacturers (finished product) and buyers in the domestic and foreign markets.

✓ **Commodities:**

Sugar, coffee, fruit, ginger, sesame, soybeans and others.

The aim of DORTE SOLUTIONS is to serve clients who have diverse demands but do not have the time or professionals to deal with several suppliers. Our identity is to provide precise solutions to our clients' problems. If you are interested in finding out more about DORTE SOLUTIONS, please contact us.

Thank you for your attention,

Josué N. Dorte
Diretor Geral
