Based Biopolymer)

KRYSTALON

KrystalON is a Brazilian manufacturer with over 40 years of experience and a leader in supplying cups, mugs, and other tableware for spas, resorts, bars, and hotel restaurants.

We focus on trends and high-resistance, high-quality materials, ensuring our products can be safely used in areas such as swimming pools, leisure areas, walkways, restaurants, breakfast areas, and poolside bars.

Our products are 100% non-toxic, odorless, and feature strategically developed designs that deliver functionality, aesthetics, and cost reduction for hotels, spas, resorts, bars, and restaurants.

A large, stylized white letter 'K' logo is centered in the upper half of the image. The 'K' has a bold, blocky appearance with a slight shadow effect, making it stand out against the red-tinted background. The background itself is a tropical resort scene with a swimming pool, palm trees, and thatched huts, all rendered in a monochromatic red color scheme.
