Smart Burger

Tucuman Burger

With a smooth and crunchy texture, with all the thermogenic potential of saffron and the energy of tucumã, which give it a delicate flavor and vibrant color. Rich in omega 3, Betacarotene, which relieve inflammatory processes and help stabilize blood glucose.

Tucumã is rich in vitamins A, B1 and C, has a high antioxidant power, preventing premature aging and strengthening the immune system.

Smart Sausage

Açaí Sausage

The perfect combination of flavor and texture, thanks to the smoked açaí and tucumã fat, rich in Vitamin A and Omega 3, 6 and 9, excellent for brain health and weight loss.

Açaí is rich in anthocyanins, which are powerful antioxidants, in addition to having high levels of Iron, Calcium and Phosphorus, essential minerals for the proper functioning and maintenance of the main vital functions.

Smart Balls

Açaí Meatballs

Firm and with a striking flavor, crunchy on the outside and juicy on the inside, rich in antioxidants, vitamins and iron.

Açaí is rich in anthocyanins, which are powerful antioxidants, in addition to having high levels of Iron, Calcium and Phosphorus, essential minerals for the proper functioning and maintenance of the main vital functions.

About Us

Amazônia Smart Food is a foodtech that develops plant based, functional and nutritious foods, using local ingredients from the Amazon, such as açaí and tucumã. The company serves supermarkets, emporiums, restaurants and snack bars, and has a blockchain traceability network to ensure the sustainability and quality of its products. Some of Amazônia Smart Food's products are Smart Burger, Smart Balls and Smart Sausage, which are made with 100% natural vegetable proteins, gluten-free; non-GMO and highly nutritious offering the same amount of protein as similar products made with meat. We work directly with riverside communities and indigenous peoples to bring the best, tastiest and most nutritious product to our customers. Amazônia Smart Food brings health to those who consume and dignity to those who produce!
