AZOGUE
GRANOLA

“Ancestral energy in every bite”

Azogue Granola's Mission 🌿 ✨

"At Azogue Granola, our mission is to transform nutrition through natural, nutritious, and sustainable products made with native superfoods from the Pacific and Amazon regions. We are committed to quality, well-being, and fair trade, creating opportunities for local producers and women heads of households in vulnerable conditions. Our goal is to bring the healthiest and most delicious premium granola to every table, promoting a balanced and conscious lifestyle."

Azogue Granola's Vision 🌿 ✨

"To be the leading brand in premium granola and healthy products in Colombia and worldwide, recognized for its quality, innovation, and commitment to sustainability. We aim to expand into international markets, including Africa, Europe, and North America, bringing the unique flavors of native superfoods to new cultures. We aspire to transform the food industry with responsible practices, positively impacting local communities and promoting more conscious and nutritious consumption."

Granola Sacha Inchi

Our Sacha Inchi Simple Granola is a 100% natural and organic option, designed for those seeking a healthy and functional diet. Made with carefully selected ingredients, it is free of added sugars, raisins, and panela, highlighting the nutritional power of sacha inchi, an Amazonian superfood with 60% plant-based protein and a high content of omegas 3, 6, and 9.

- ✓ High-quality plant-based protein source
- ✓ Rich in fiber for better digestion
- ✓ Gluten-free, no preservatives or artificial additives
- ✓ Versatile to enjoy alone, with fruit, yogurt, or smoothies

This granola is perfect for those looking for energy, well-being, and a pure, simple, and functional product that supports a healthy lifestyle. A perfect balance between nutrition and sustainability! ❤️🌱
