# COMPANY PROFILE

## WHO WE ARE?

Blueship International is a sole proprietorship firm based in India, founded in the year 2021. We introduce ourselves as the noteworthy supplier and exporter of FIBC bags (Jumbo bags) and packaging materials.

## WHAT WE DO?

Our goal is to provide customers with innovative solutions for all their packaging needs. Our clients are in a wide range of industries, ranging from food and construction, to agriculture and pharmaceuticals. As a quality supplier, we have the ability to provide different types of FIBC bags and packaging solutions under one roof.

## HOW WE DO?

Our focus as a supplier is on quality and timely delivery of the products to our clients. Our reputation as a quality supplier is due to our strong collaboration with manufacturers across India. These manufacturers are ISO certified, follow international quality standards and operate state-of-the-art facilities to manufacture FIBCs.

# WHY BLUESHIP?

We are working hard to become a quality supplier in the field of FIBC bags (Bulk bags, Jumbo bags) and packaging materials.

Blueship's ethical business practices make us stand out from the competition and offer a one-stop-shop for all your packaging needs.

**Some of the attributes that distinguish us from our compatriots include:**

- As a supplier, we ensure customers receive quality products in a timely manner.
- Our team possesses extensive experience in the related industry area.
- Features an exclusive range of products to fulfil customer needs.
- Our customer retention rate and customer satisfaction level speak volumes about our market reputation.
- We excel at providing distinctive customised designs that are cost-effective globally.
- Collaboration with the top-notch manufacturers across India.
- Choosing manufacturers whose products comply with global standards and adhere to quality.

# PRODUCT

## LIST FIBC/BULK BAGS/JUMBO BAGS/ BIG BAGS

Flexible Intermediate Bulk Containers (FIBCs) are bulk containers made of flexible polypropylene woven material, designed for storing, transporting and protecting bulk products.

Jumbo bags are available in a variety of types, sizes and shapes, and can be customized according to customer needs. We help our customers to select bags according to their needs.

FIBC's are the most economical packaging materials and ideal type of packaging for storing and shipping. These can be produced from Flat fabric or Tubular Fabric either coated or uncoated and vary in weight depending on the requirements of the safe working load (SWL) or safety factor (SF).
