## Our Mission

To design superior food products using only natural and healthy raw materials, processed with full respect for the environment, and deliver them to local and international consumers.

## Our Vision

To be the global leader in natural superfoods, offering customers on every continent access to products that exceed their expectations in taste, nutrition, and sustainability.

# Sustainable Sourcing & Community

BIOFOOD collaborates directly with harvesters and producer associations in four Bolivian regions:

- Comunidad “Luz de América” (Pando)
- Comunidad “El Porvenir” (Santa Cruz)
- Asociación Agropecuaria de Productos Amazónicos de Majo Asai De Buen Retiro “AAGROPAMA” (Beni)
- Comunidad “Santa Rosa de Maravilla” (La Paz – in development)

Our inclusive business model supports over 300 harvest-families in the Amazon, ensuring fair income, capacity building, and long-term community development.

Passion Fruit: Feb-Apr & Aug-Oct | Banana: Year-round

A man wearing a blue and white checkered shirt and blue jeans is kneeling in a forest, processing a large bunch of dark berries. He is using a small tool to remove the seeds from the berries. The forest floor is covered with dry leaves and green plants. The background shows a dense forest with many trees and vines.
