FLAVORS

Quality and innovative flavors are truly required by the entire beverage and food industry, that is why our R&D team of chemists and flavorists are dedicated to offer you the exact taste you're looking for.

We have a wide flavor offer suitable for different processes such as thermo resistant flavors or liposoluble.

EMULSIONS

Let us help you with your emulsions or your emulsion process.

Either with our line emulsions or manufacturing under your specific density and translucency requirements we can be a reliable solution.
