

## ORGANIC PURPLE CORN

### EXCITING MIX : QUINOA-PURPLE CORN PASTA

It is an excellent source of antioxidants, as it gives you 3 times more antioxidants than red grapes or blackberries. In addition, it has a high ORAC value; researches made by Japanese scientists have proved the great colon anticancer properties due to the natural color it contains, called Anthocyanin.

### FUSILLI QUINOA - PURPLE CORN

Based on this organic purple corn, we have developed the Organic Purple Pasta, a value-added product with a high content of antioxidants, fiber and an exotic flavor that you have never try before. It is a delicious and healthy superfood pasta. It only takes 6 minutes to cook in boiling water.

## CHIPS MADE WITH 100% ORGANIC QUINOA: FRIED AND NOT FRIED

Our latest technological development that we offer to the world market is Quinoa chips, the healthiest snack made of 100% quinoa. We have our Quinoa chips available in two presentations for you to choose: Fried Snack and Not Fried Snack, both with a delightful flavor that will be the favorite of children, youth and adults.

Without food additives, preservatives or coloring added, as its natural color comes from the Anthocyanin pigment. With a crunchy texture and exotic flavor, that you will not be able to quit eating.
