THE POSITIVE EXPERIENCE OF A NEW HOME

New Experience Consultants is a company created by Spanish professionals who were once expatriates, and now offer their expertise and assistance in your arrival to Chile.

New Experience Consultants was founded with the purpose of making the process of settlement easy for you. It aims to reduce the normal difficulties people face and to create a smooth experience of starting your new life in your new country. In short, we work to make you feel at home.

Every member of our company has had the opportunity to live in different countries, so we know first hand the needs and concerns of newcomers in every area of the settlement process, from the house search, to the organisation of your own office.

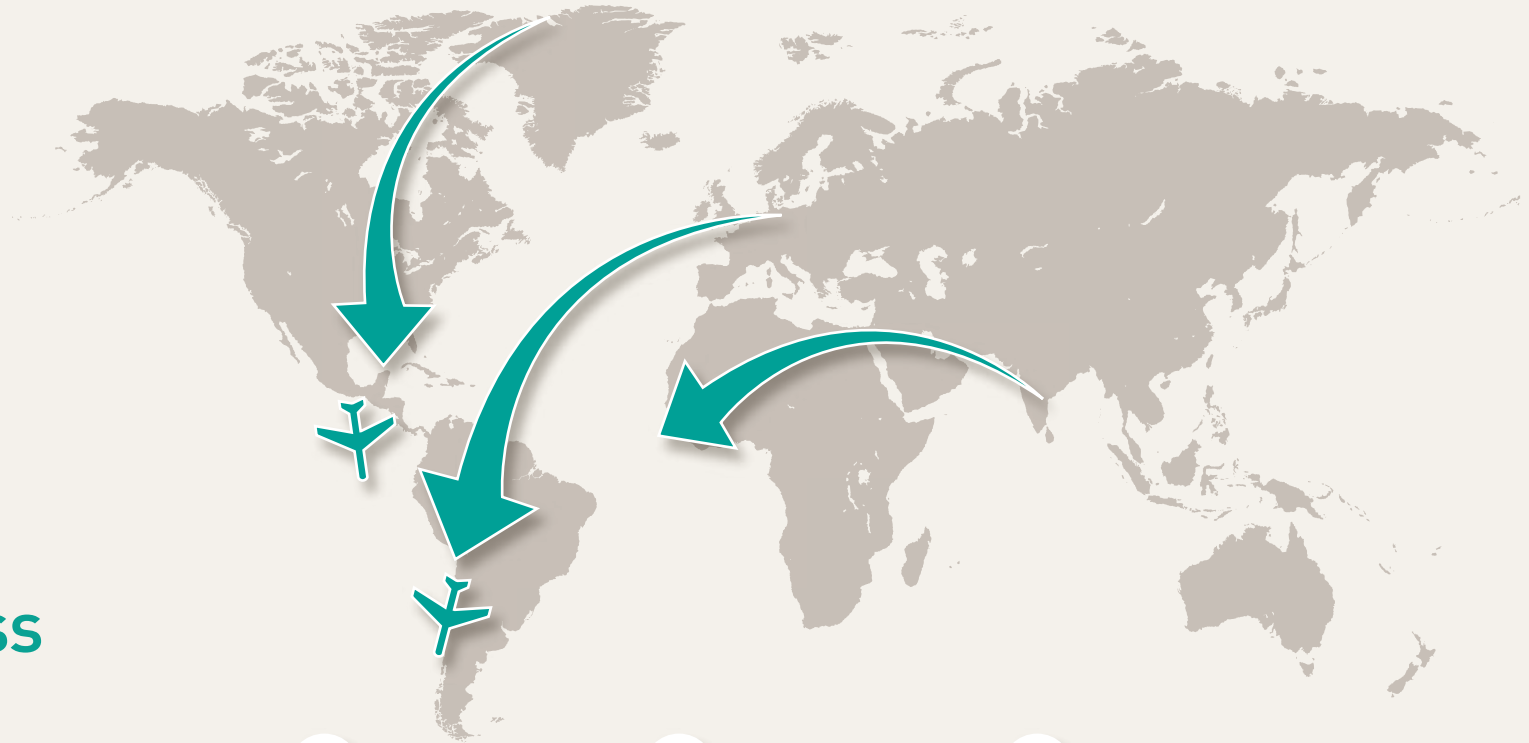

Our purpose is to enable the expatriate to focus on his business goals, while we take care of organising the essential personal and familiar responsibilities that come with moving to a new country. We aim to do this in the shortest time possible, to ensure the client and his family are happy in their new environment.

That is why we have all kinds of personal and business services, which can be purchased as packages either closed or combined. These provide a customized program tailored to the needs of each person or family who arrive to Chile.

PROCESS

1.

Contact us by Skype, email or webmail, and we will solve your initial concerns and start to get-to-know your specific needs. We will send you a questionnaire to make your profile and decide which package suits you.

2.

If you have a new professional challenge, we will accompany you in your personal challenge. Through a close contact that will help us to know you better, we will define the action plan that will allow you to settle down in Chile comfortably.

3.

Once you have accepted our offer of services, leave everything in our hands and start enjoying your
NEW EXPERIENCE.

4.

Reception, temporary accommodation in a hotel, permanent accommodation (hired services)

New Experience Consultants is an essential tool in order to have a smooth and easy settlement process.

New Experience is aimed to help companies and professionals to start up their new life in Chile. Our offer goes from planning all aspects of the change of country, to settling in on arrival to Chile.
