

Visión

Contar con una cadena de valor en los portafolios de productos ofreciéndole al mundo alimentos saludables y frescos, mejor calidad de vida al equipo de colaboradores y responsabilidad social empresarial a nuestro entorno.

Misión

Proveer a las familias del mundo alimentos saludables y naturales gestionando una adecuada distribución con buenas prácticas y certificación internacional desde el campo. Fortaleciendo los vínculos con nuestros colaboradores aplicando mejoras constantes en su calidad de vidas y desarrollando responsabilidad social empresarial para nuestro entorno.

Historia

Consortio del Valle SAC inicio como una historia de emprendimiento de la familia Paulino, el fundador Nivardo quien se califica como un hombre visionario, apostó e invirtió en alimentar al mundo. Actualmente la empresa cuenta con un diverso portafolio de productos, llevados con un eficiente proceso productivo lo cual es fundamental para mantener nuestro nivel de competitividad. Consortio del Valle cuenta con un fundo de 50 hectáreas en donde producen productos como palta hass y fuerte, arándanos, mandarina y algunos productos estacionarios como el ají paprika, maíz morado, entre otros. Tratamos de retribuir a la comunidad y el medio ambiente siendo solidarios con ellos.

El desarrollo de nuestras actividades esta basado en principios y valores de compromiso, innovación, integridad, disciplina e igualdad.

Visión

Have a value chain in product portfolios offering the world healthy and fresh foods, better quality of life to the team of collaborators and corporate social responsibility to our environment.

Misión

To provide the world's families with healthy and natural foods by managing an adequate distribution with good practices and international certification from the field. Strengthening the links with our collaborators by applying constant improvements in their quality of lives and developing corporate social responsibility for our environment.

History

Consortio del Valle SAC begins as a history of entrepreneurship of the Paulino family, the founder Nivardo who qualifies as a visionary man, he bet and invested in feeding the world.

Currently the company has a diverse portfolio of products, brought with an efficient production process which is essential to maintain our level of competitiveness.

Consortio del Valle has a 50-hectare farm where they produce products such as hass and strong avocados, blueberries, tangerine and some stationary products such as chili paprika, purple corn, among others. We try to give back to the community and the environment by being in solidarity with them. The development of our activities is based on principles and values of commitment, innovation, integrity, discipline and equality.
