

A luxurious spa range inspired by the raw and pure essence of the ancient African earth.

## OUR COMMITMENT

At Spa Therapy, we believe in utilising everything that nature has to offer, from the seeds to the delicate extraction of the botanical oils; nothing should be wasted. Our products are organic, vegan-friendly and made from ingredients that are locally sourced. We support small business and local producers of natural, naturally derived and organic essential oils and base products. Our products are locally produced and our pricing is fair and ethical. Spa Therapy is committed to recycle and re-use, and we aim to make our footprint as small as possible.

# SPA THERAPY

Africa, a land of giant Baobab and Marula trees, vast savannahs and deserts where Aloe, Rooibos and Kalahari Melon grow wild. African locals, with their ancient cultures and traditions, long ago discovered the power packed into nature.

Inspired by this raw, pure essence of the ancient African earth, our signature plant-based botanical synergies remind us that nature is a great healer.

We invite you on a luxurious African Journey to experience our range of aromatic, earthy and rejuvenating products.

## EXOTIC BODY POLISH

Transport yourself to exotic locations with this luxurious body polish. Containing Ravensara extract from Madagascar, ylang-ylang from Reunion Island and organic apricot seed powder to gently buff away dry skin, revealing exceptionally smooth skin. This body polish will leave skin feeling pampered.

## INSTANT COOLING GEL

This refreshing gel offers instant relief for fatigued legs and feet. The peppermint extract provides a cooling effect while the fennel and chamomile extracts help soothe the discomfort related to bruised and swollen areas. The African aloe extract is ideal for calming sensitized or sunburnt areas.

## SOOTHING MUSCLE RELIEF

Soothe your muscular aches and pains with Spa Therapy's Soothing Muscle Relief. Therapeutic extracts of capsicum and ginger help stimulate micro-circulation, offering a comforting sensation, while marjoram extract assists in reducing muscular tension. This formulation is ideal for addressing muscular discomfort of the lower back, neck and shoulder areas, as well as offering effective relief for muscle stiffness due to over-exertion.

## TONING BODY SERUM

Experience the incredible effectiveness of Spa Therapy's Toning Body Serum. The botanical extracts of fennel, geranium, grapefruit and juniper berry assist the body in reducing subcutaneous fluid retention and toxic accumulations. In addition, circulation is improved and the skin will appear firmer within just a few days' use.

## INDULGENT BODY CREAM

Envelope your body in Spa Therapy's Indulgent Body Cream. The ultra-nourishing, organically derived African extracts of marula, moringa and baobab, as well as exotic mango and shea butters help reveal satin-soft skin with regular use. Natural subtle aromas of rosewood and cedarwood further enhance the experience. For best results, use together with Exotic Body Polish to remove keratinized, dry skin cells.

## HAIR & SCALP REPAIR

Be blown away by the incredible effectiveness of the marula, baobab, argan, moringa and African rosewood seed extracts incorporated into this nourishing Hair and Scalp Repair treatment. Natural extracts of ylang-ylang and rosemary offer exceptional hair conditioning properties while tea tree extract ensures a healthy scalp.

Nature offers genius solutions for health and wellness. Discover our range of unique plant-based botanical massage oils. These emulsifying synergies remind us that nature is our greatest healer.

## BODY BALANCE BOTANICAL SYNERGY

Balance and replenish with this restorative blend of ylang-ylang, geranium and clary sage when life throws challenges your way. The Body Balance Synergy will be your support and rescue.

## BODY RELAX BOTANICAL SYNERGY

Tired and exhausted muscles are soothed and brought back to life with our Body Relax Botanical Synergy. Indulge your senses with this herbal blend containing notes of marjoram and mandarin.

## BODY UPLIFT BOTANICAL SYNERGY

This grounding, nurturing synergy will help you to take a moment away from daily chaos to refocus and restore. The blend contains notes of grapefruit and orange blossom. This blend is safe to use during pregnancy.

## BODY CALM BOTANICAL SYNERGY

Tired and exhausted muscles are soothed and brought back to life with our Body Relax Botanical Synergy. Indulge your senses with this herbal blend containing notes of marjoram and mandarin.
