Darren Challey

Vice President, Enterprise Information Security at Expedia

“ Juan Carlos was the leader for a large team of Ethical Hackers performing security work for me from 2007 to 2010. JC was easy to work with and was eager to extend the knowledge and capabilities of that team. Over the years, he and his team assessed thousands of applications and uncovered vulnerabilities that could be subsequently be fixed. He also helped to develop... **more**

April 19, 2011, Darren was Juan Carlos's client

Eduardo Cerna, ISO 27001 Lead Auditor

AVP; Information Security Specialist, IT Security Auditor.

“ Juan Carlos is one of the best application security professionals and researches that I have met. He developed and implemented many best practices in the company security programs. He is reliable, hard-working, conscientious, top-performing and has a deepest knowledge on regards of IT Security.

Juan would be an exception asset to any IT Security function at the level... **more**

May 4, 2011, Eduardo worked with Juan Carlos at Softtek

Sachin Kediya

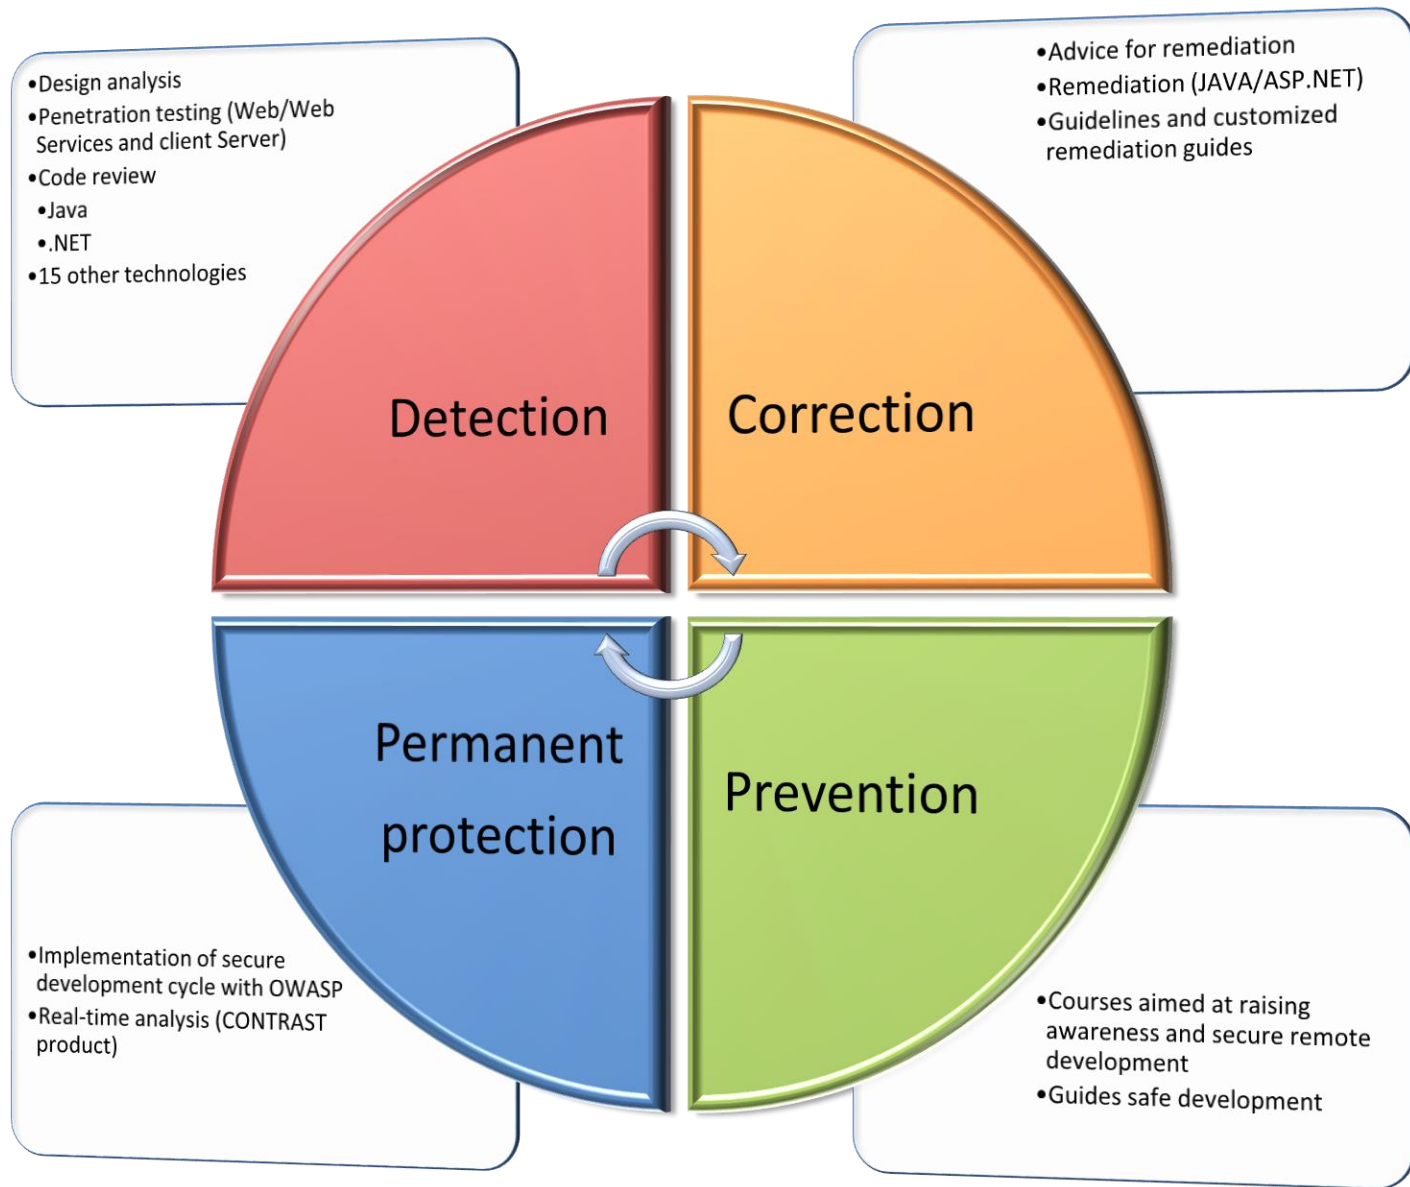

Lead Paranoid, Department of Defense@Yahoo!

“ JC (Juan Carlos) is an expert in application security. He brings excellent techno-managerial skills in a security team. He is a great leader, technically very strong, very and always keen on researching and learning new skills in information technology.

September 24, 2009, Sachin was with another company when working with Juan Carlos at Softtek
