BRAZIL NUTS

SUSTAINABLE BUSINESS

MADRE DE DIOS

MANUTATA

BRAZIL NUT TREE

Considered the king of the florests

It is one of the largest trees of the Amazon (50mt), some of them can live more than a thousand years, it takes between 15 and 20 years to enjoy of this treasure of the Amazon.

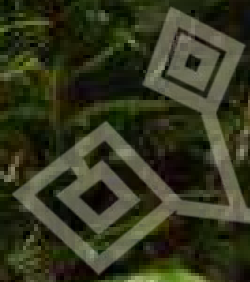

BRAZIL NUT HARVEST

MANUTATA

*The brazil nut coconut fall from natural way,
then they are recollected by hand*

They have great health benefits, brazil
nuts are a powerful antioxidant, delay
aging and strengthen the inmune
system

MANUTATA
