Ideal for low-calorie diets, its versatility makes it the perfect ingredient for fresh salads, light dishes or as a healthy side dish.

With a careful presentation and the guarantee of Ecuadorian origin, this tuna is a reliable and delicious option for those who value well-being without sacrificing quality.

GLOBAL-COCOA ECUADOR

It is more than just a chocolate brand; it is a journey into the heart of this mesmerizing land. The story began with a passionate chocolatier, Chris, who had spent his life amidst the cocoa groves of Ecuador. Growing up, he heard tales from his father about the sacred cacao and the legends surrounding it because his father was already dedicated to cocoa commercialization and exportation of high-quality cocoa beans and derivatives.

Chris dreamt of sharing the magic of Ecuador's cocoa with the world. Chris was joined by a dedicated team of farmers and chocolate artisans; together, they ventured deep into the heart of the rainforest, with nothing but machetes and their unyielding passion for the art of chocolate. Through the dense underbrush and alongside glistening rivers, they discovered a hidden cocoa plantation, the beans glistening like gems in the dappled sunlight. It was a treasure waiting to be unearthed. People around the world indulged in the rich, velvety taste that transported them to the heart of Ecuador's rainforest.

LO CHOCOLATE, with its exquisite taste and developed flavors, is more than just a chocolate brand; it is a celebration of Ecuador's natural bounty.

It reminds the world that hidden treasures lie in the most magical places, waiting to be discovered.

Cocoa Butter

Our cocoa butter, extracted from the finest Ecuadorian cocoa beans, is a key ingredient in the production of high-quality food and cosmetic products. With its smooth texture and characteristic aroma, this natural fat is ideal for confectionery, baking, and beauty products.

Its purity ensures that it retains all its moisturizing and nourishing properties, making it highly valued for its versatility. Ecuadorian cocoa butter is recognized worldwide for its high antioxidant content and its ability to enhance the flavor and texture of gourmet chocolates and other products.

Cocoa Powder

Ecuadorian cocoa powder is the result of a careful defatting process of high-quality cocoa beans. With its intense dark color and deep cocoa flavor, this product is perfect for the production of chocolates, beverages, desserts, and baked goods.

Rich in antioxidants and flavonoids, cocoa powder not only offers an unparalleled taste but also health benefits. We guarantee a product free of additives, maintaining all the natural essence of fine flavor cocoa, highly appreciated in the international food industry.

Cocoa Liquor

Cocoa liquor is a semi-finished product that captures the pure essence of cocoa. It is obtained by grinding fermented and roasted cocoa beans, preserving both the cocoa butter and cocoa solids. Its creamy texture and intense, slightly bitter flavor make it an essential ingredient for the production of fine chocolates and gourmet products.

Exported from Ecuador, a country recognized worldwide for the quality of its cocoa, cocoa liquor serves as the foundation of excellence for artisanal chocolates and premium confectionery.
