# Products with purposes.

A new experience Innovating the Food and Beverage sector with new products and unique exclusive brands, thinking of:

- Habitat preservation and to help avoid global pollution.
- Environmentally friendly.
- Encouraging and promoting companies in all their areas, at the same time allowing them to take their places by articulating others such as the gastronomy, local, national and international tourism sectors, with creativity, art, culture, innovation and technology, connecting their geographical places with a true sense of belonging that prevents global pollution.

Developed by Munz Co.

# Brands with Identity and High Quality Guarantee!

First Kosher treated and purified pure water in Colombia, to taste and live a new healthy experience with the alliance of PROCOLOMBIA and the support of the Compra Lo Nuestro program of Innpulsa Colombia - ConnectAmericas of the Inter-American Development Bank, we allow you to offer and discover beautiful emblematic places in the country through the water, preserving the habitat.

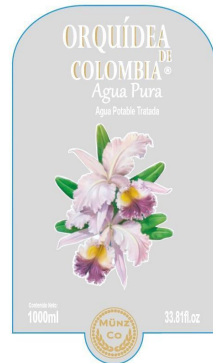

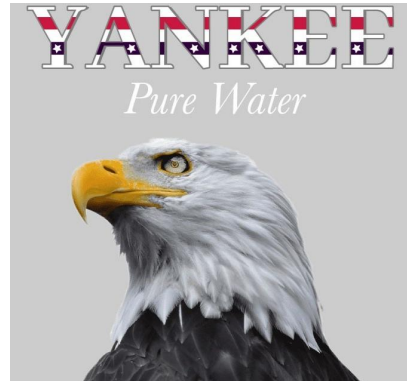

A "Premium" Water for the national and international market with Colombian identity, respecting and valuing the environment with circulable collectible containers to help promote responsible cultural and sustainable educational tourism.

Our brands have unique added values that allow us to fulfill important environmental, cultural, educational and tourist purposes that encourage social commitment to preserve our legacies, as well as being products with high-quality supervision and a concept that offers a interesting way to taste our natural water resources.

Distributors, wholesalers and chain stores.

# Your orders will preserve the environment of Colombia and the world!

Did you know?

- For each unit purchased on your orders, 10% will be donated to a recognized non-profit entity committed to the preservation, safeguarding and/or recovery of the environment and habitat in Colombia and/or the world.
- You can choose the entity to which you want your 10% to be donated.
- Your purchases once the donation is directed, you can receive a tax exemption certificate on 10% of your monthly purchases. \*You must process the certification with proof of payment directly with the entity to which it is donated.
- Each container is collectible! You can reuse it or save it!
- It serves as a souvenir or gift!
- You can get to know the most beautiful and emblematic places in the country or the world!
- You can locate and enter to find where is the place that is in your bottle!
- Best of all, with your orders we all win, you win, the environment wins and we help ensure that the packaging does not become single-use garbage! And remember: The garbage is also yours, you paid for it, that's why throw it away at home!

# ¡Tus pedidos preservará el medio ambiente de Colombia y el mundo!

¿Sabías qué?

- Por cada unidad comprada sobre tus pedidos, el 10% será donado a una entidad sin ánimo de lucro reconocida comprometida a la preservación, salvaguarda y/o recuperación del medio ambiente y el hábitat en Colombia y/o el mundo.
  - Tú podrás escoger la entidad a que desees que tus 10% sea donado.
  - Tus compras una vez direccionado la donación, podrás recibir certificado de exención de impuestos sobre el 10% de tus compras mensuales.
- ¡Cada envase es coleccionable!
  - ¡Puedes reusarlo o guardarlo !
  - ¡Te sirve como souvenir o regalo!
  - ¡Puedes conocer los lugares más bellos y emblemáticos del país o del mundo!
  - ¡Puedes ubicar y entrar a buscar dónde está el lugar que está en tu botella!
  - ¡Lo mejor de todo, con tus pedidos todos ganamos , ganas tú, el medio ambiente y ayudamos a que los envases no se conviertan en basura de un sólo uso!
  - Y recuerda: ¡La basura también es tuya , pagaste por ella , por eso botala en casa!
