November 2023

History

Located in Santa Clara del Cobre, in the enchanting Patzcuaro Region of Michoacan State, Mexico, our company proudly hails from a town renowned for its exquisite products made from hammered copper and other metals.

Company Description

With 17 years of experience, our company specializes in the manufacturing and trading of copper, brass, aluminum, zinc, and other metal products. Our focus lies in producing high-quality metal furniture and accessories that cater to the discerning tastes of the high-end market.

Our Products

Every product we create is meticulously crafted using traditional handmade processes and recyclable materials such as copper, brass, aluminum, zinc, and more. Our extensive range of products includes:

- Firepits
- Tabletops.
- Tabletops for Firepits
- Lamps.
- Planters.
- Mirror Frames.
- Bath tubs
- Kitchen & Bathroom Sinks
- Accessories.

In the following pages, you will find a glimpse of some of the products we have proudly crafted for our esteemed customers in the United States. Our skilled craftsmen can create these products in various sizes and designs using the aforementioned metals.

Our Services:

At our core, we strive to provide exceptional services to our valued partners. Here's how we can support your business:

- Collaborate to create unique and exclusive designs tailored specifically for your company.
- Establish a comprehensive quality assurance process to ensure the standards of your products.
- Develop an efficient logistics process that optimizes cost and delivery time.
