DRIED AND DEHYDRATED FRUITS

PRODUCTO DE CHILE
PRODUCT OF CHILE

www.sweetvalley.cl

SWEET VALLEY Procesa anualmente 4.000 toneladas de Pasas, Nueces, Ciruelas y Almendras.

Nuestra Planta envasadora posee grandes estándares de tecnología en procesos y seguridad alimentaria:

- Laser Best, rayos X Best Ixus, detectores de metales, líneas de proceso de acero inoxidable U.S.Commercial.
- Poseemos Certificación: BRC foods, Halal, Kosher, ISO.
- Trabajamos según estándares del USDA.

Los productos son envasados en Cajas de 10 Kg. Y 30 Lbs, formato mayoristas.

Envasamos para retail según las exigencias de nuestros clientes, en formatos de 200, 500 y 1000 gramos.

La trazabilidad es del 100% y la tolerancia es cero.

No contamos con intermediarios y tenemos cultivos dirigidos a la producción de deshidratados.

SWEET VALLEY processes more than 4000 tons of raisins, walnuts, plums and almonds.

Our plant has big standards of technology in process and food security:

- Best laser, X ray, Best Ixus, metal detector; line of process of stainless steel, US Commercial.
- We have certification: BRC foods, Halal, Kosher, ISO.
- We work according to standard of USDA

The products are packed in boxes of 10Kg and 30 Lbs, in wholesale format

We pack according to our customers needs, in 200, 500 and 1000 gr

The traceability is about 100% and there is no tolerance.

We do not have extra intermediary agents and we have cultivation of dried fruits production.
