ABOUT US

We are a Technology Based Company located in Colombia.

We have the Support of the ICT Ministry and the Government of Quindio.

We are located in the VIVELAB QUINDÍO, Digital Laboratory, located in the Convention Center of the City of Armenia, capital of the Quindio Department.

Our Core are Video Games for PC, Console and Mobiles.

We provide Services such as Website Creation, SEO, Business and Commercial Apps; in addition to Experiences With Augmented and Virtual Reality.

Tecnotitan S.A.S was founded following the 7 Principles of Konosuke Matsushita.

- **Incessant effort to improve**
- **Gratitude**
- **Cooperation and Team Spirit**
- **Justice and Honesty**
- **Contribution to Society**
- **Adaptability**
- **Education and Humility**
