THE WORLD HAS CHANGED, NOW **CHANGE** THE WAY BUSINESS IS DONE

CHANGING HOW BUSINESS IS DONE

1. Remote talent is on average 3 times cheaper.
2. The average entry-level education employee is around 50k per year (the salary of an only employee).
3. Remote operations allow you to save you on Benefits, Workspace, and Legal Risk.
4. Tax Benefit: Remote Executive Teams as a service are tax-deductible.

— Taxes, absenteeism, work station and legal risks are around 35% of additional costs with inhouse employees.

VIRTUAL EMILY'S ARE 1/3 OF THE COST OF INHOUSE EMPLOYEES

* Administrative costs include: recruiting, hiring and training.

WE ARE THE FUTURE, THE FUTURE IS NOW!

OUR MISSION

Virtual Emily creates a connection between Remote Executive Teams and our clients through technology, customer experience, and unique culture to transform and elevate the lives of our community.

WHO WE ARE

We provide **Executive Remote Solutions** that specialize in helping companies grow, become more efficient and successful. Our unique approach to Remote Executive Solutions sets us aside and enables us to provide the best customer service experience through the **#VCEOLife** by providing remote talent, technology and consulting worldwide.

Enjoy your
VIRTUAL CEO *Life*
