Hello!

Brushme - is a Ukrainian painting by number production. A unique technology will help everyone create their own picture with the help of numbered canvas, brushes and paints.

We are 5 years on the market and during this time we have greatly expanded our production capacity.

Our production is located in Chernivtsi. This place helps us to quickly and efficiently develop logistics and transport our product to different parts of the world.

Our partners provide us with high-quality wood. With the help of our own printers and mechanisms for producing inks, we control the quality of production of each element of the kits. Our goods have received EU quality certificates.

Subframes for paintings are created on our own manufacturing from the finest wood provided by our suppliers. It is made from pine with 6-9% percent humidity.

Our logistics system has a number of advantages over delivery from China:

China: Delivery time 40-60 days

Brushme: 7-10 days + additionally we can print your boxes

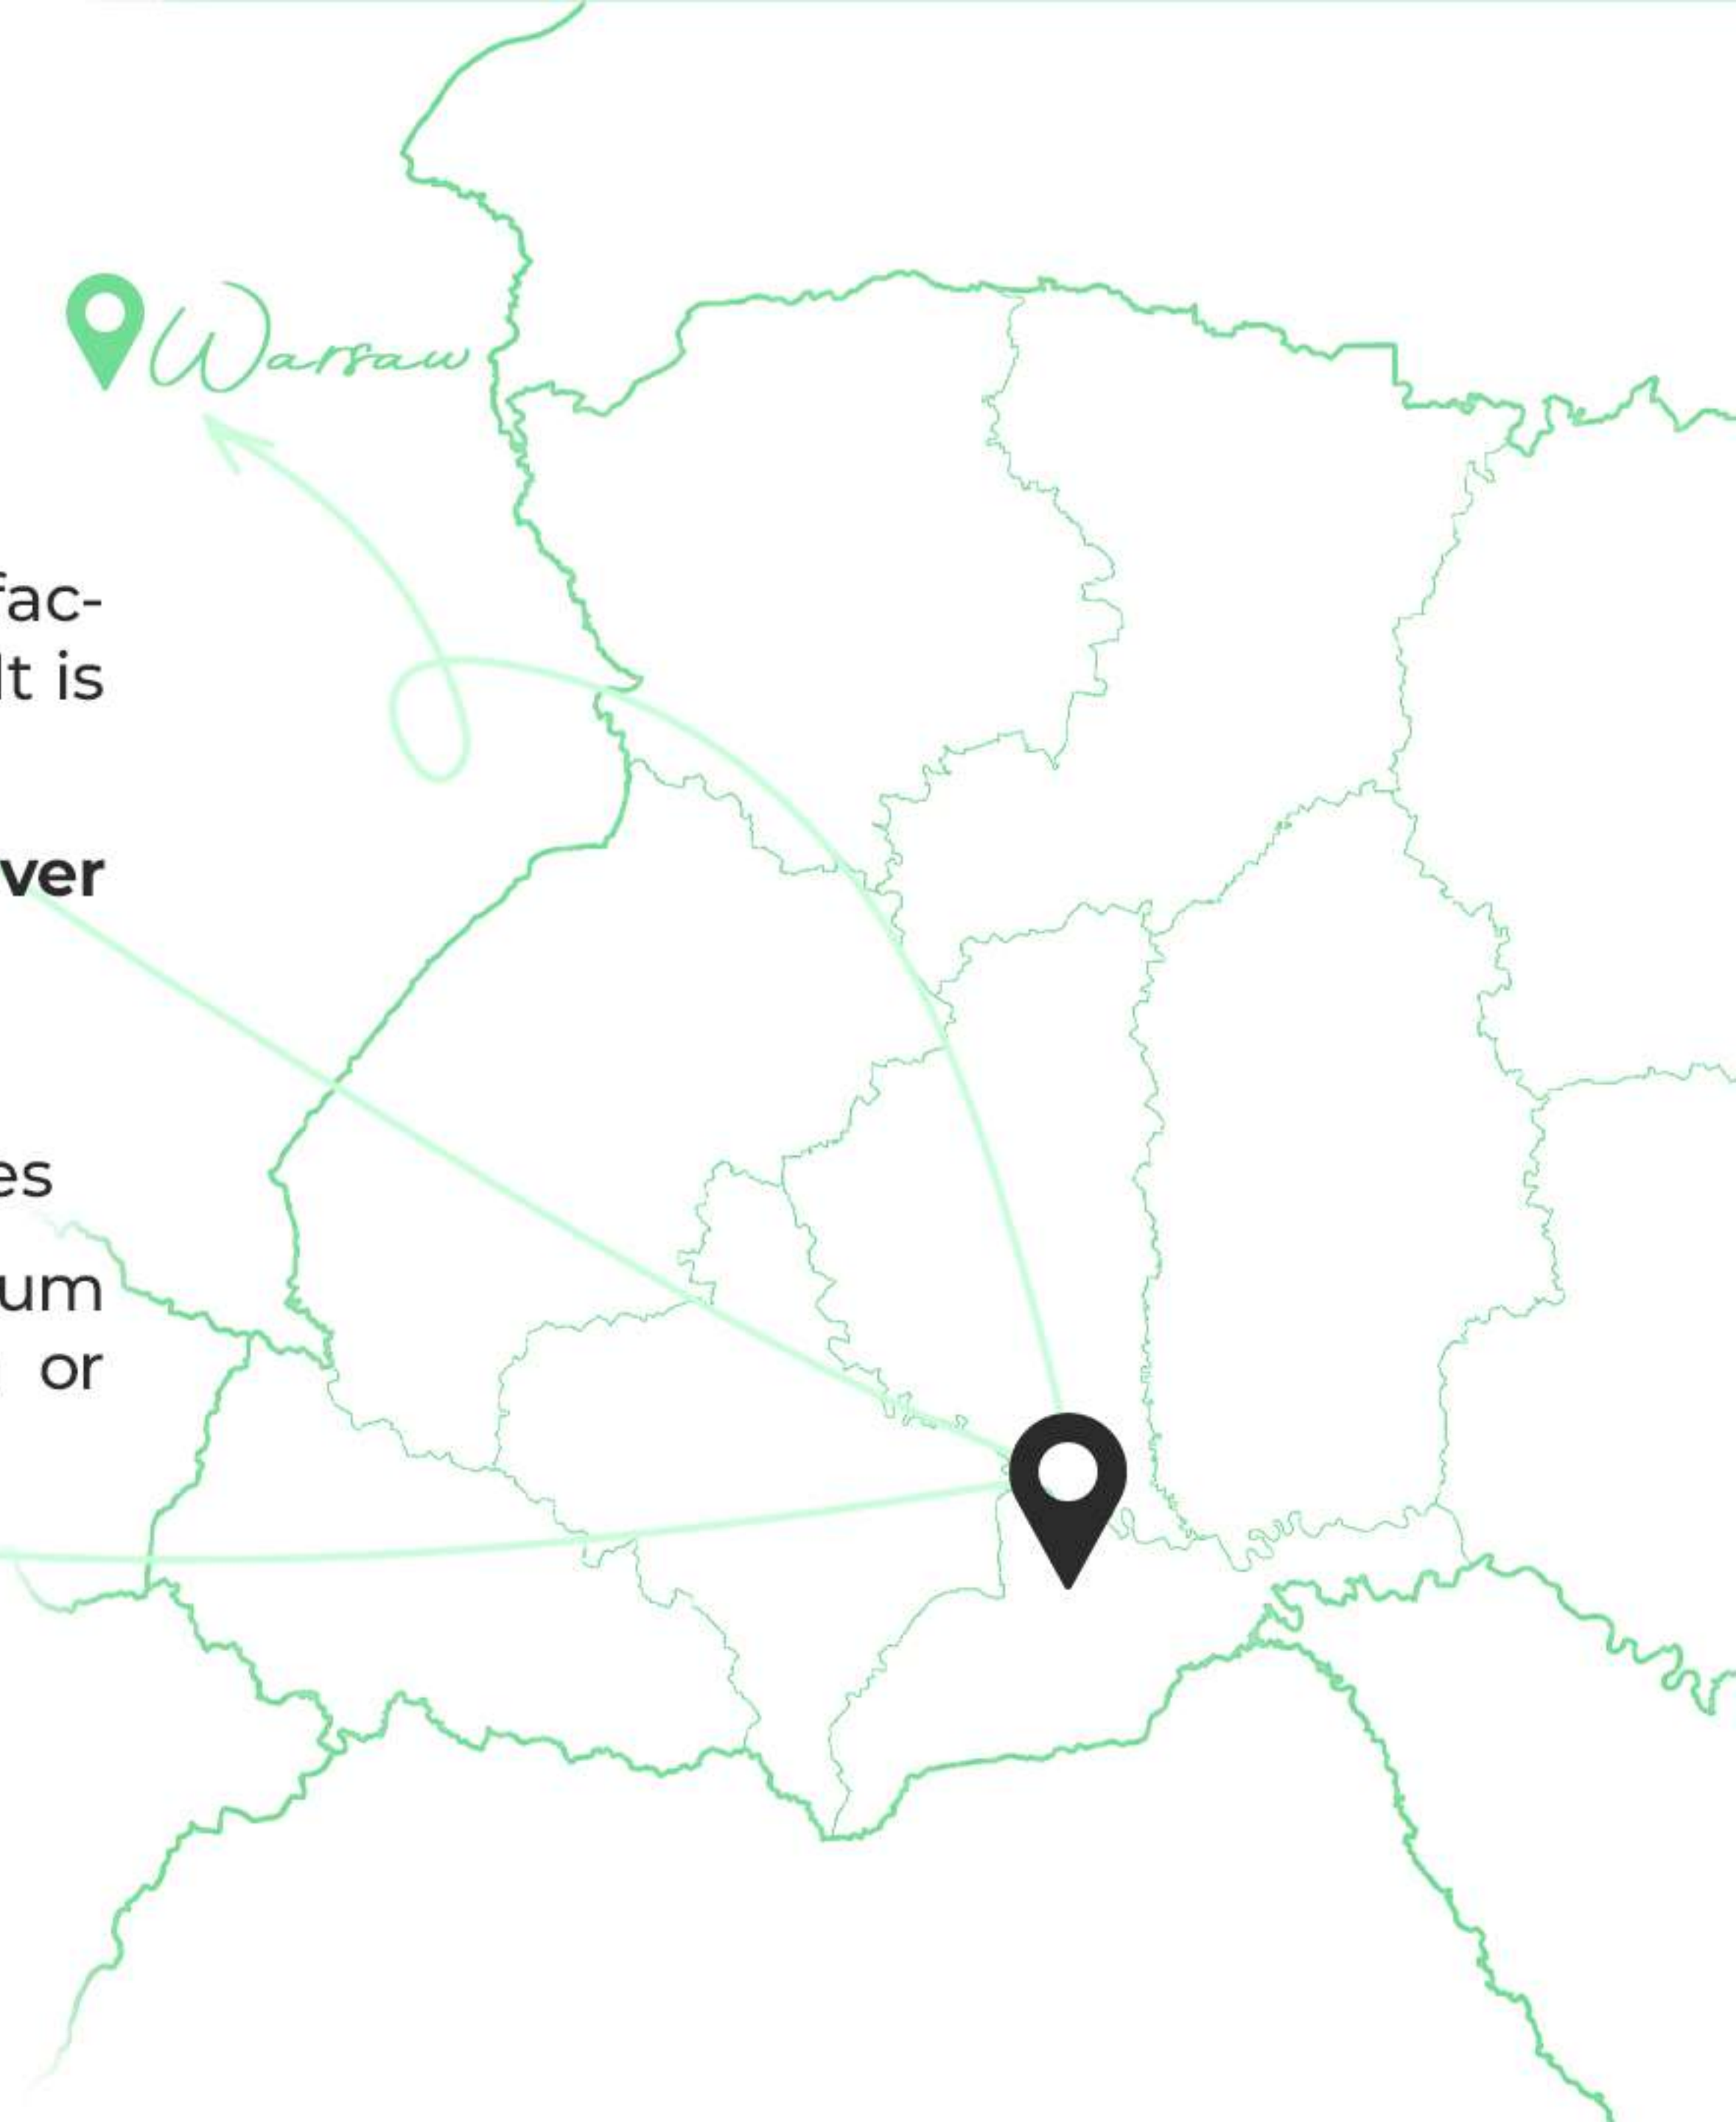

With the help of our own technologies, we develop a drum stretch and guarantee that your canvas will not sag or change its shape.

Avarage delivery time:

Berlin: 2-3 days (800 km)

Warsaw: 1-3 days (350 km)

London: 4-5 days (1200 km)

We retail **60,000** paintings a month
Our production is **2000** square meters
