## Code of Ethics

RAMPREM is committed to a strong company culture with solid ethical values. This requires all of us to act with integrity and apply the highest ethical standards in our daily work. It is therefore important that we understand RAMPREM's core values to guide our decisions during our job. Our values are based on three key principles below:

### Performance

Performance is our continuous commitment to long term sustainable development and financial success. At RAMPREM, performance is achieved by applying excellence in all that we do; being powered by innovation; seeing the possibilities over the obstacles; achieving financial success and is always guided by integrity.

### Integrity

Integrity is how we drive our behavior and consistently apply our values in all that we do. We keep our promises and play by the rules. We are committed to deliver on our promises; we treat everyone with fairness, respect and dignity; and apply the highest ethical standards in all our daily work.

### Professionalism

Professionalism is how we create value for our customers by anticipating their business needs and applying workable solutions. At RAMPREM we know our business and take ownership of delivering results. We focus on becoming the “first choice” business partner for our customers.

Our code of conduct policy applies to all RAMPREM companies worldwide, including RAMPREM Enterprises and any wholly-owned or majority-owned affiliates and subsidiaries of the foregoing (collectively, “RAMPREM” or the “Company”). The principles and prohibitions set forth in this policy is mandatory for all Directors, Officers, and employees of RAMPREM, agents, consultants, and other third-party stakeholders when conducting business on RAMPREM's behalf.

## Corporate Social Responsibility

The Company is aware that its operational activities have a significant impact on the environmental, social and economical well-being of the regions in which we operate. As a prestigious member of the business community, we acknowledge our Corporate Social Responsibility obligations in our various roles, which include employer and customer.

We are committed to ensuring that our business is conducted in all respects according to arduous ethical, professional and legal standards. Our policies and codes of conduct encourage elevated standards of corporate behavior in areas such as Health & Safety, Human Rights, Environmental Responsibility, Quality and Energy Management.

Over the past couple years, RAMPREM has been heavily involved in supporting local and regional cultural, charitable and social activities both as a silent partner as well as a front runner. It gives our staff great pleasure to be a part of initiatives that benefit children, less-fortunate families and the community as a whole.

We at RAMPREM recognize the need for businesses to support such initiatives and utilize our creativity and networks to ensure that projects, no matter the size or complexity, are supported until completion. Giving of our time and other resources to such causes speaks bounds to how we treat with all stakeholders.

We love what we do and furthermore, we love Trinidad & Tobago.
