The background of the slide is a photograph of a meat processing facility. Numerous pork carcasses are hanging from metal hooks in long rows, stretching into the distance. The carcasses are light pink and appear to be in the early stages of processing. The floor is a light-colored, possibly concrete or metal, surface. The overall lighting is bright and industrial.

PORK

Pork Meat It is one of the most consumed meats in the world. It is also one of the most used, because almost all the animal body is used, as well as many of its by-products: ham, chorizo, bacon, black pudding, bacon, pâté, etc.
