diko

Located in Medellín, Colombia, Dicoplast specializes in manufacturing high-quality plastic battery boxes and covers through injection molding. With over 25 years of experience, we are ISO 9001:2015 certified, ensuring superior quality and compliance with industry standards.

We offer a variety of battery casings, including maintenance-free options, all designed to meet the required technical specifications and regulations. We are a trusted supplier to Colombia's leading battery manufacturers and also export to Central and South America.

Additionally, we provide customized plastic solutions tailored to our clients' needs. Our competitive prices, extensive experience, and strong industry reputation make us the ideal partner for your battery requirements.
