**MISSION**

**2021**

The foundation stone  
of our start-up was  
kept in 2021 & located  
in Gurgaon(HR)

**2022**

it was all started with  
the coffee but we are  
constantly up growing  
with the market into  
new commodities

**2023**

This was our fruitful  
year as we have done  
so many important  
deals in various  
commodities.

**2024**

This beginning of new  
year,we have made the  
resolution to achieve  
more goals and expand  
our buisness

**OUR SERVICE**

## AFANI SPICES

SATISFIED BY THE SERVICES  
AND OVERALL CHARGES

## INDOBERSCO

I HAVE FOUND THE BEST AND  
PREMIUM QUALITY OF  
PRODUCTS ALONG WITH  
SUITABLE RATES , NO HIDDEN  
CHARGES WERE TO BE FOUND  
IN ANY OF THE QUOTATIONS..

## ANANDIYA CASHEWS

FRIENDLY NATURE EMPLOYEES MADE  
ME BREAK THE DEAL WITH THEM

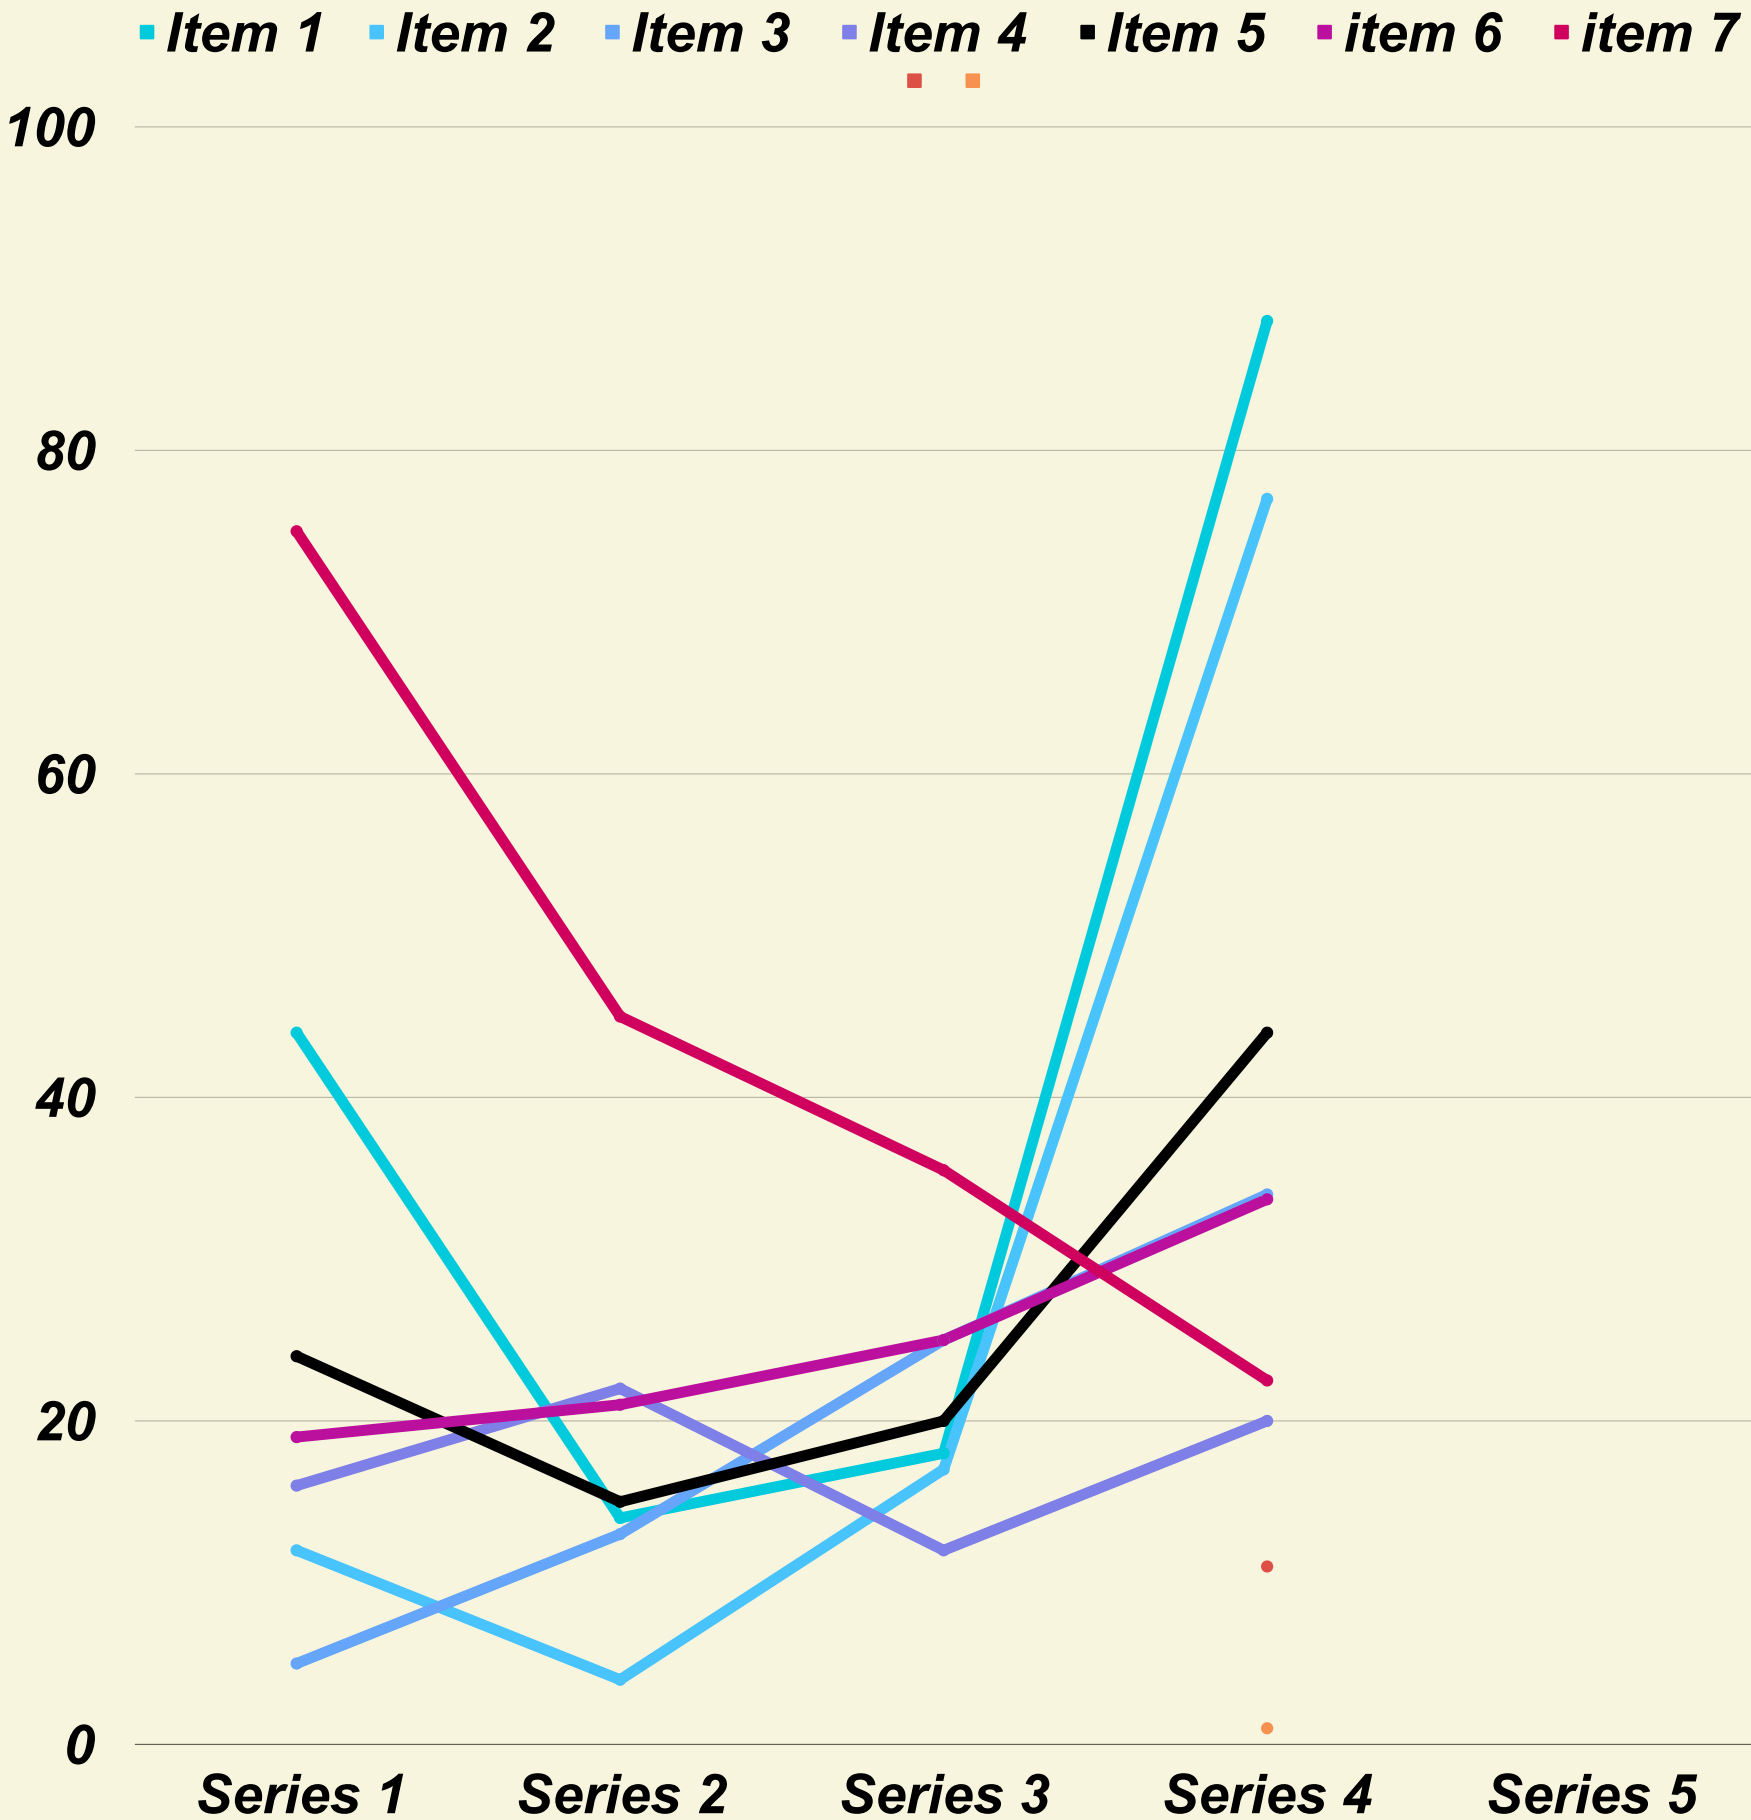

## DICKSON MULTI TRADE

it was my first experience  
with the coffee companion  
for palm oil and i got the best  
result , though communication  
barrier were in between but  
they managed it smoothly

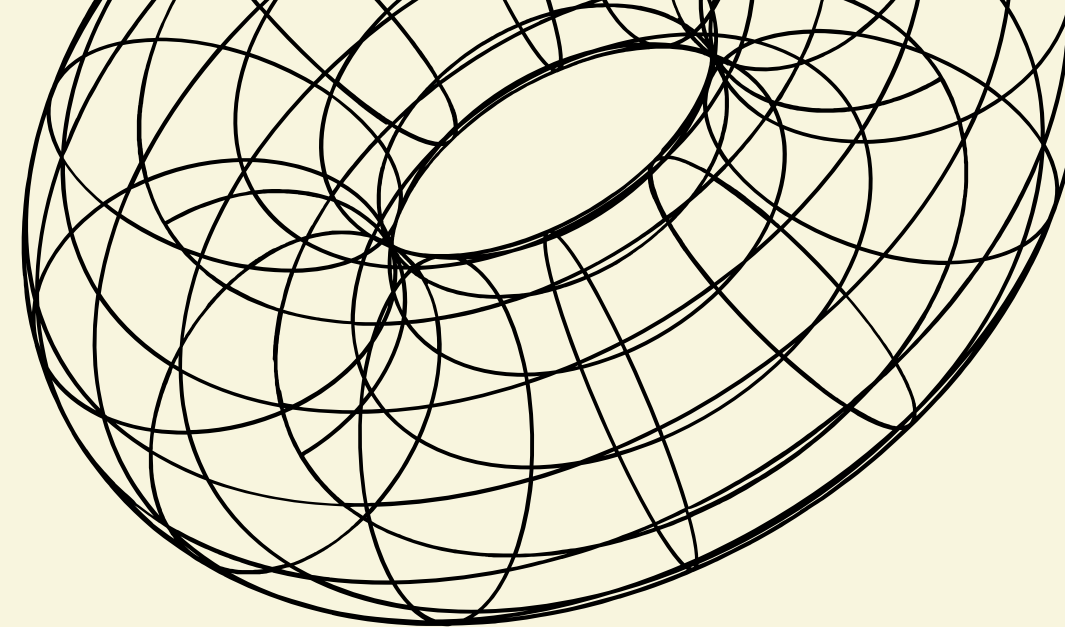

In today's competition world and fast growing networks among the industries, market analysis plays an important role in expansion of the business to get profitable margin. Coffee companion begin exploring the market's from day one and constantly analysing the market by exploring physically & surfing over internet as a result ,we have made some great contacts all around the world. We can announce loudly that through market analysis we have came to know more about the region wise customer's requirements, buying habits, willingness, weakness & strength. We have target the market as per our commodities like coffee from Ethiopia, spices from south-east Asian countries, sugar from India and Brazil & many more.
