

Global Trade

Connecting your business to the world

International trade management · www.cs-globaltrade.com

One point of contact for
all your international
trade.

Who we are

International trade management company
based in the United States, focused on the
United States, Argentina and Uruguay.

We support importers and exporters of any size,
from choosing the supplier until the goods reach
their warehouse.

We work with a network of partners at origin and
destination: freight forwarders, customs brokers,
insurers and regulatory agents.

Mission and vision

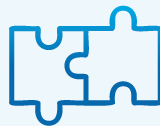

What we do every day, and where we are heading.

Mission

To provide the highest quality service in integrated international trade management, building lasting relationships with our clients.

Vision

To be the strategic partner that helps companies become more competitive and reach global markets.

Our values

Commitment

Excellence in every operation,
end to end.

Integrity

Clear costs and compliant
paperwork, no surprises.

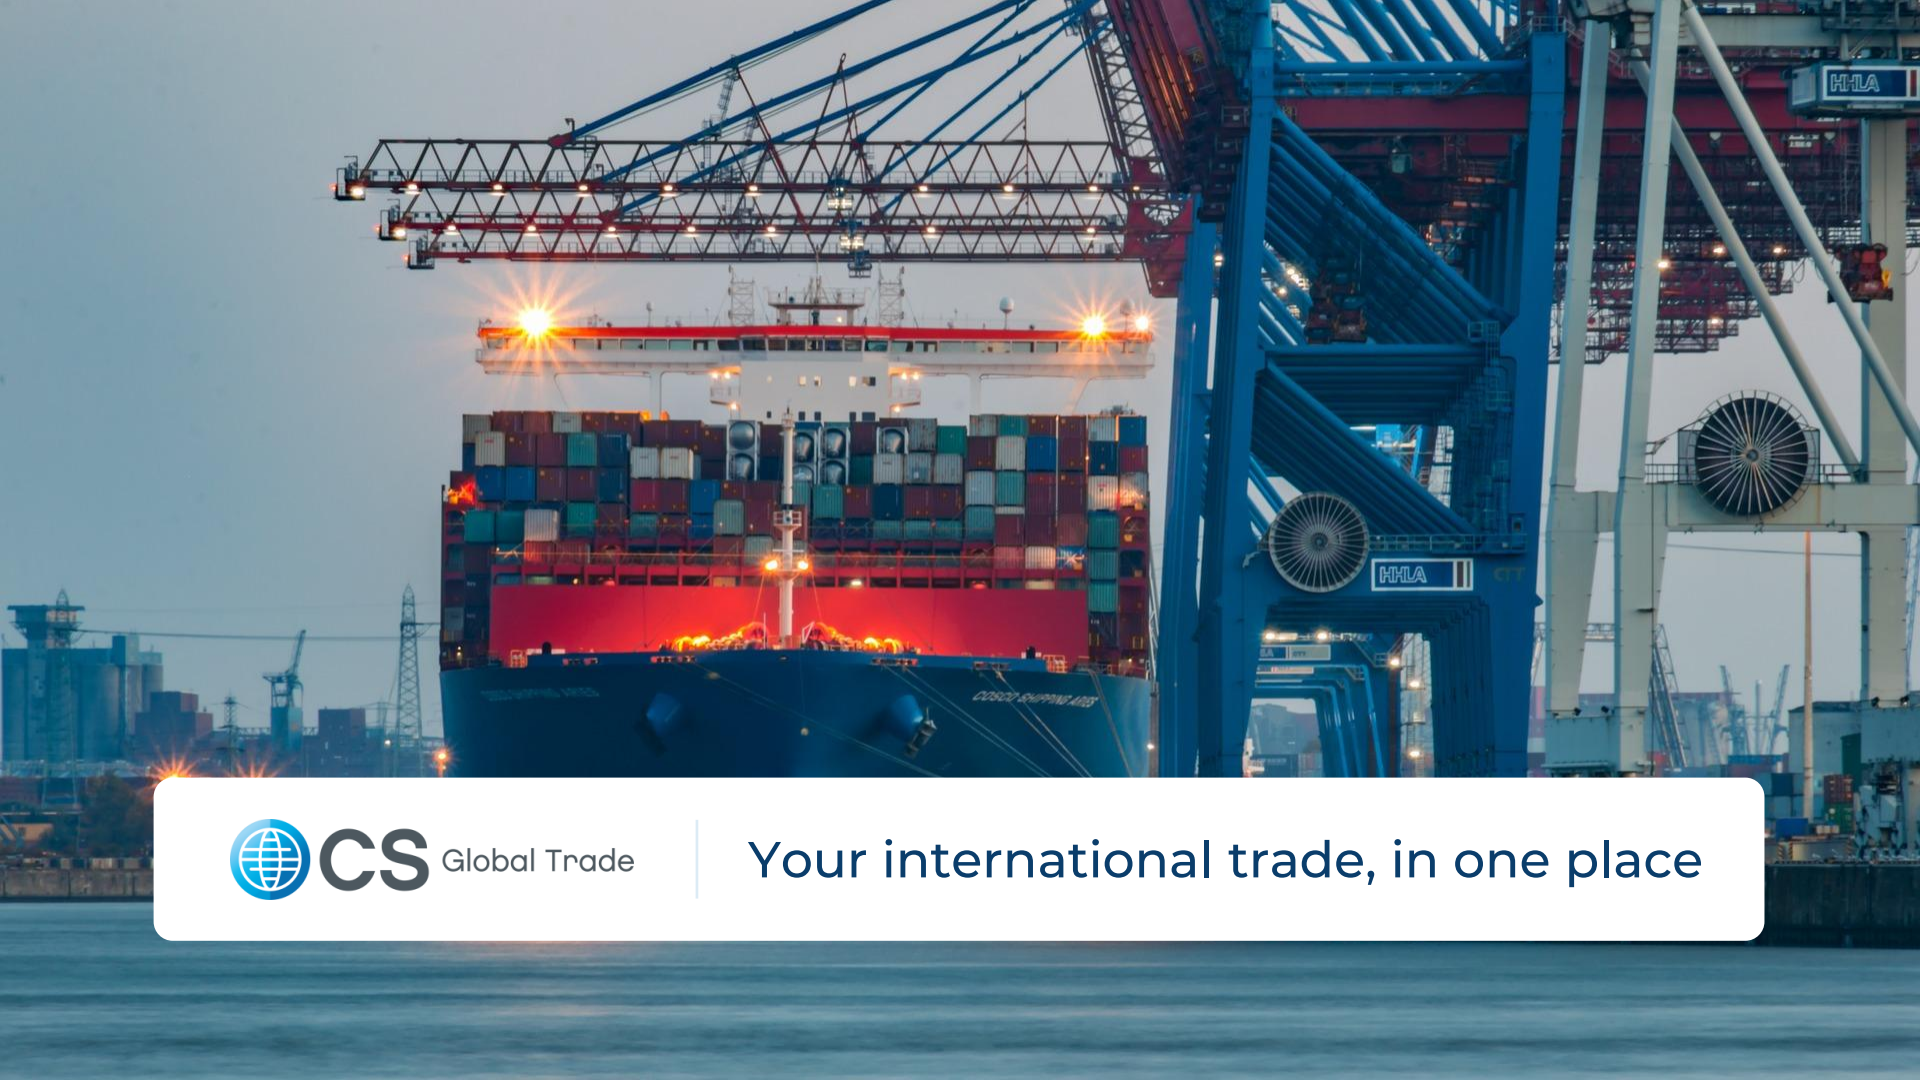

Flexibility and openness to change

We adapt to every product,
market and regulation.

Customer service

One contact who responds and
anticipates.
