EVERBLOOM

— ROSES • ECUADOR —

Catalogue 2024
Carchi - Ecuador

Eduardo and Sofia Chandi and Federico Santa Cruz (Sofia's husband) founded EVERBLOOM in 2009, it started with 0.6 hectares of greenhouse, 7 varieties and 4 co-workers. It has grown slowly but steadily about 4000 meters per year. Today it has 7 hectares, 40 varieties and 70 co-workers included Adrián Chandi (Eduardo's son) second family generation in the business.

We grow beauty and harmony sustainably, we inspire feelings and emotions exporting super premium rose quality. We connect our community in the ecuadorian highlands with the world to transform people's life.
