Servicios

Perforación, grabado de
estampas y rebajado del
cuero para proyectos
innovadores.

Grabado de Estampas

Transforme superficies en composiciones exclusivas con más de 400 estampas. Del clásico croco a las texturas de iguana, serpiente, cebra, tressé y muchas otras.

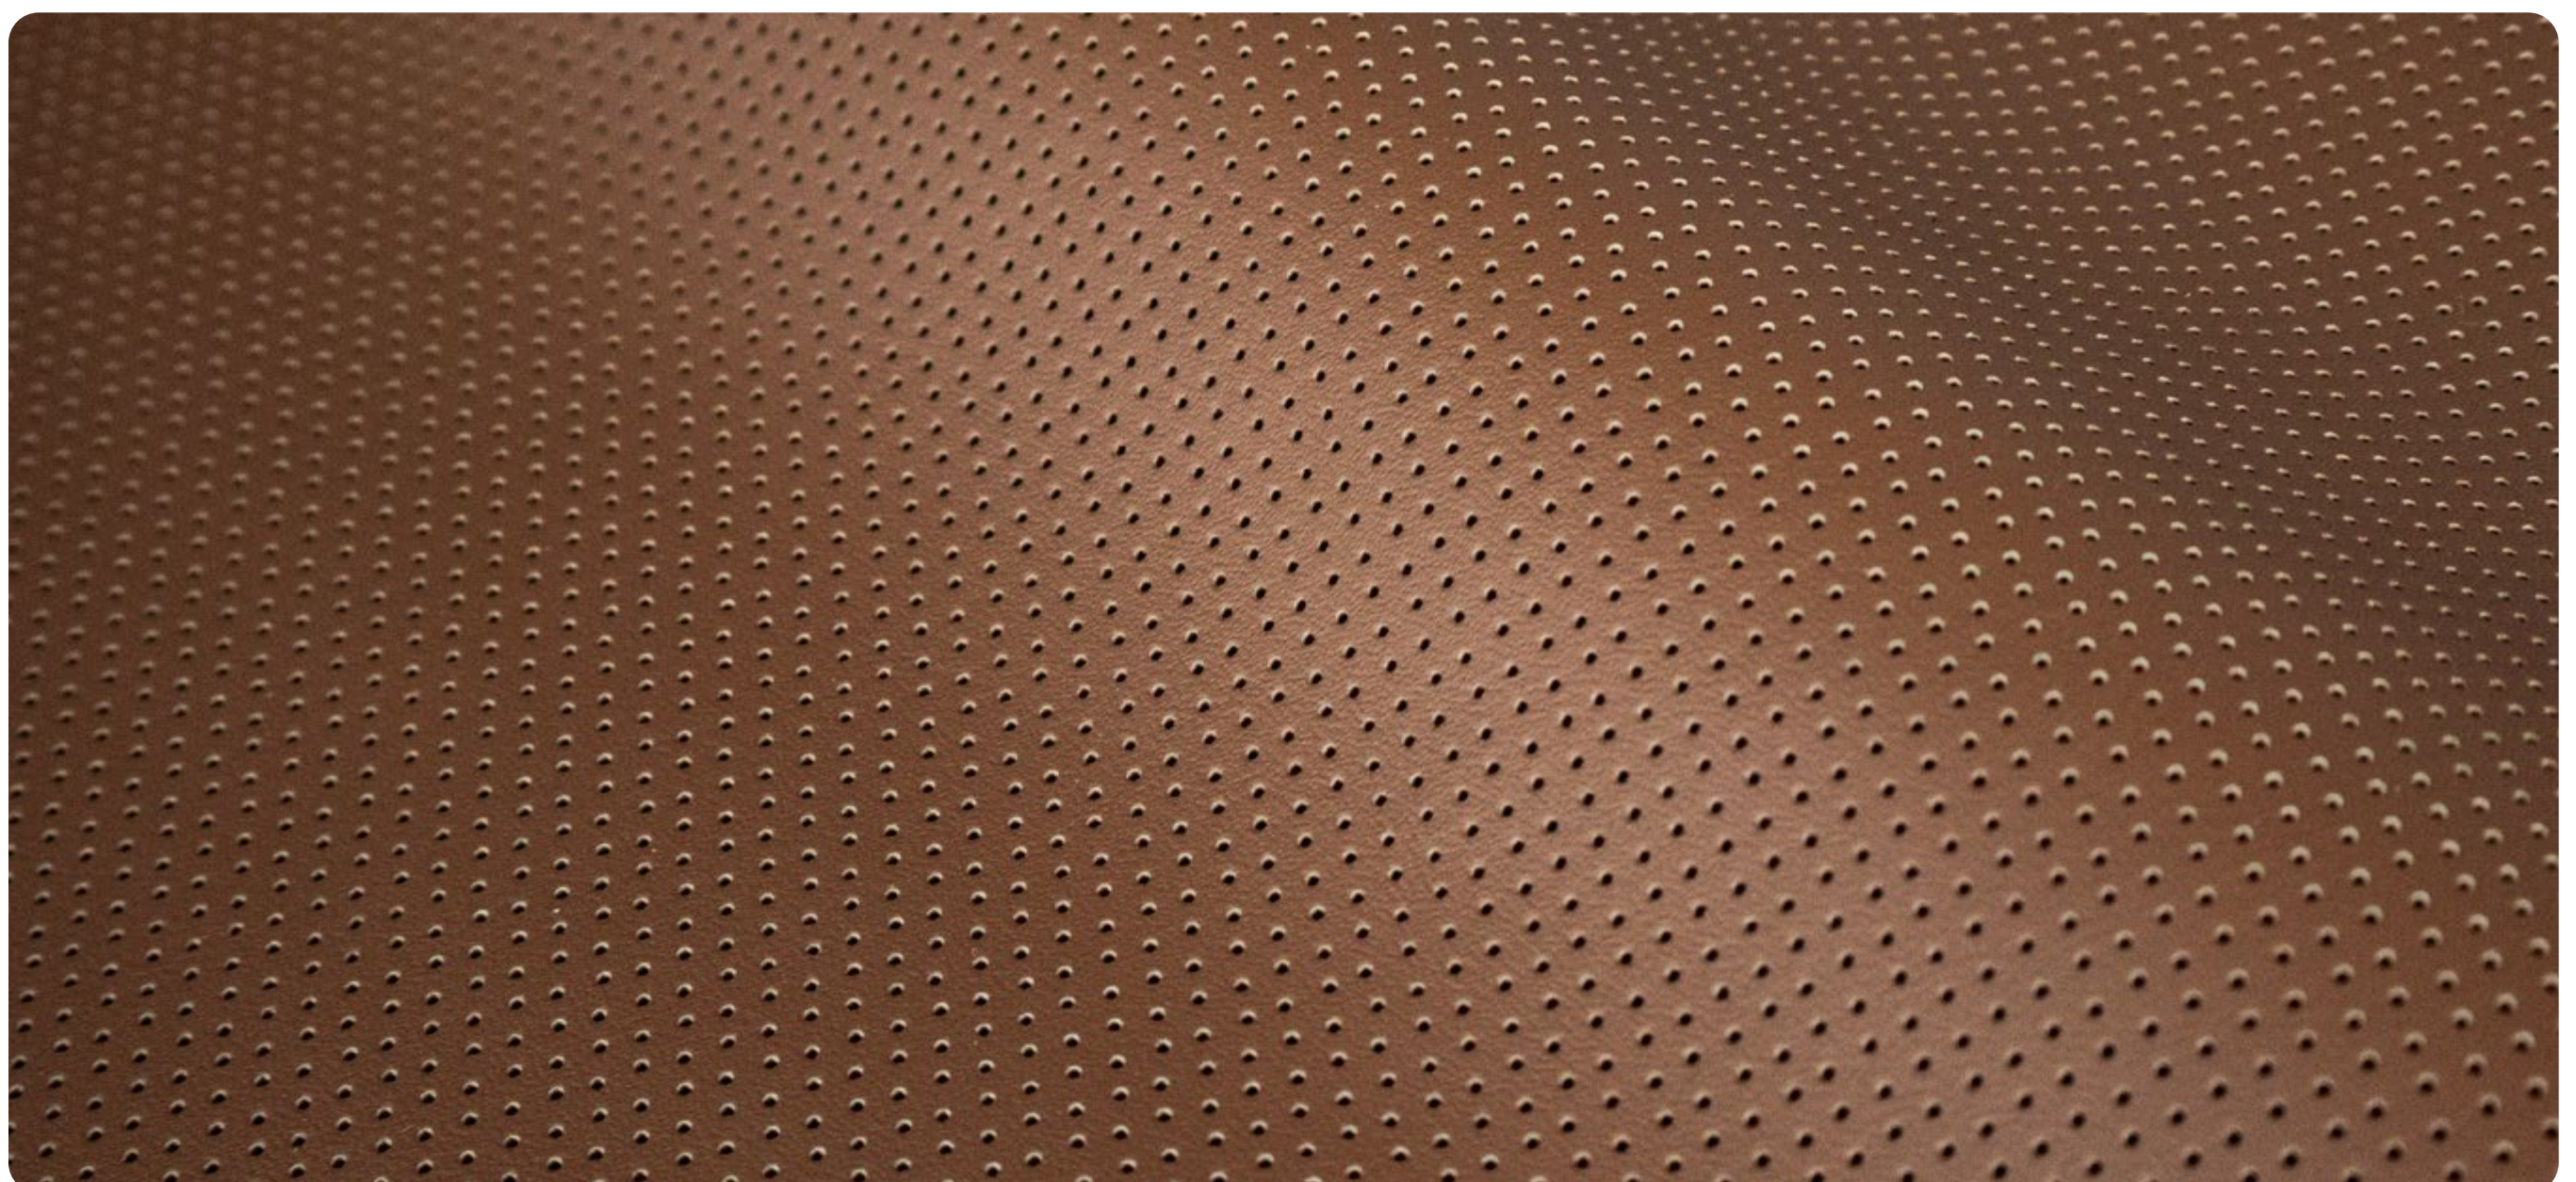

Rebajado del Cuero

Espesor ajustado para atender las exigencias de cada proyecto, preservando su tacto, apariencia y calidad.

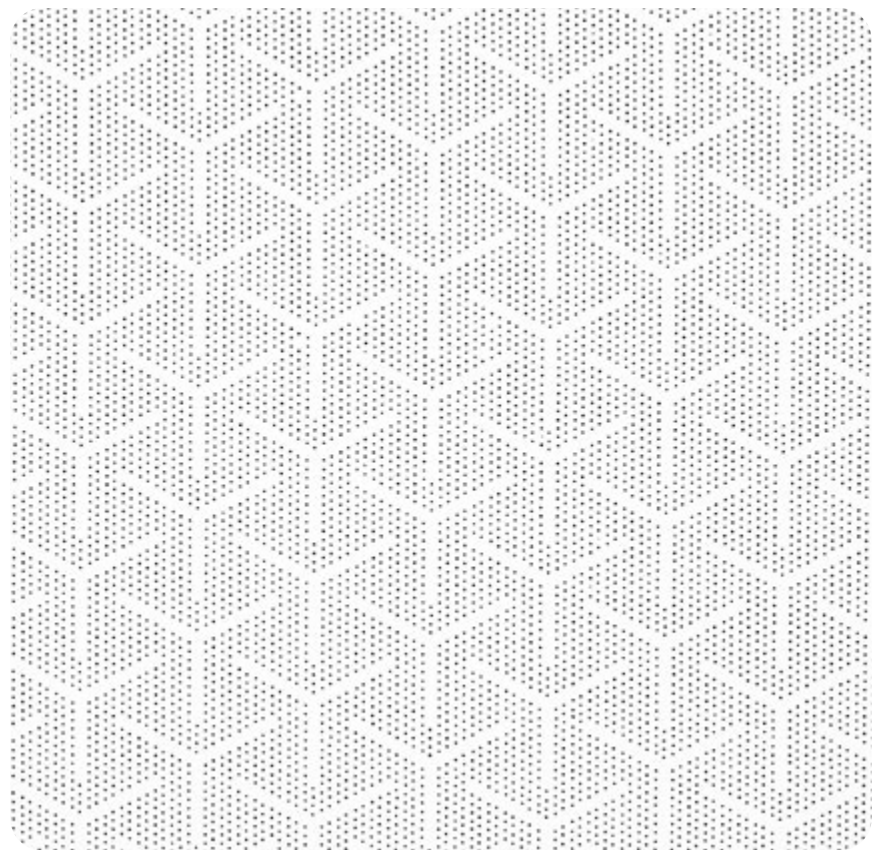

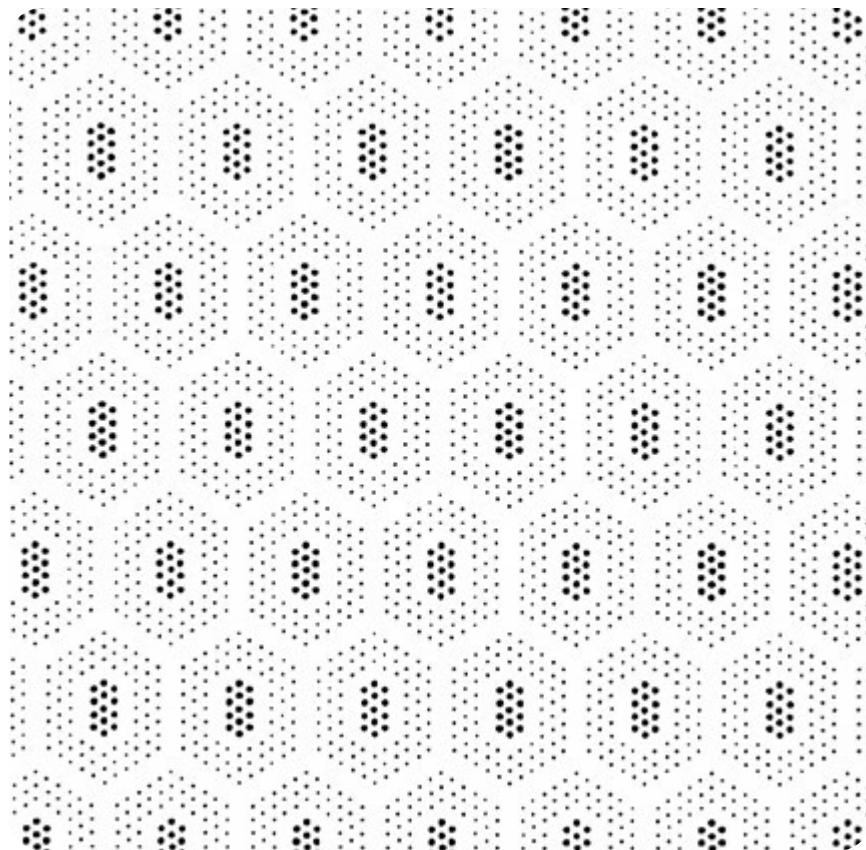

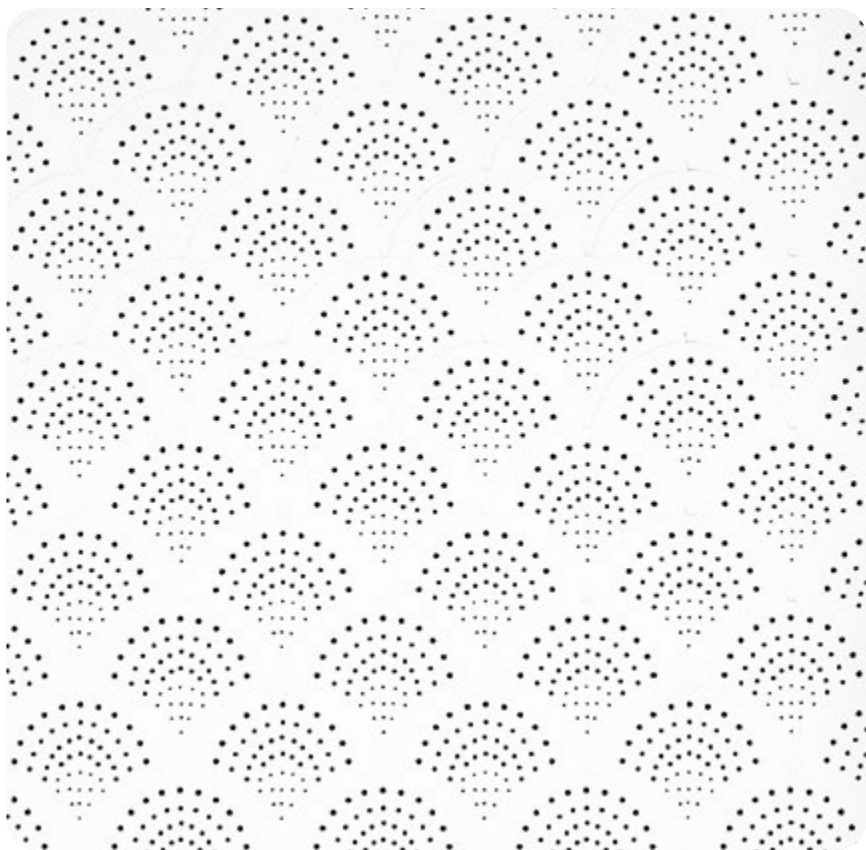

Perforación Continua

Ideal para asientos ventilados, paneles, volantes y otras aplicaciones en cuero, Alcantara® y materiales sintéticos.

Perforación Personalizada

Patrones presentes en proyectos de grandes marcas, además del desarrollo de diseños exclusivos, con variaciones de perforación, opciones de diámetro y línea guía para costura. Aplicable en cuero, Alcantara® y sintéticos.
