BELEZA NATURAL

AFFECTION, ATTENCION AND CARE.

We care about being close to you, our clients. Every Amby reseller counts on a humanized service, exclusive support and training on the products. Our focus goes beyond the growth of Amby, it is thought about the success of the company.

Count on us!

Amby, from the Tupi-Guarani KAMBY, meaning "milk from the mother's breast". Our goal is to nourish people with **products made with natural, vegan ingredients** that are truly effective and provide a connection to the soul and building of our being.

A brand that is passionate about the process, about the combination of vegetable oils, butters, actives and essential oils that make the alchemy of transformation, a transformation from the inside out, in the version of what we want to be... light souls with purpose.

Amby. Natural Beauty for souls under construction.
