About us

Founded by Laudicéio Baldan, we started in 1987 as a photographic materials store called Stylo Foto. After a few years we became a distributor of picture frames and albums. In 2020 we became **Baldan Molduras** and started our own production of picture frames, mirrors, key holders, poster panels and trays, with the aim of serving our clients with greater **agility** and **quality**

NATIONAL

A Brazilian company with national suppliers, supporting local initiatives, generating and maintaining jobs.

QUALITY

With attention to detail, we promise to provide you with products with perfect finish. Brazilian products with international quality.

TEAM WORK

Our supply team is focused and agile and our manufacturing team is extremely skilled.

SUSTAINABLE

In addition to sustainable production, our products are made with reforested wood.
