

Florestal®

Sweet emotions.

**PRODUCT
CATALOG**

With over seven decades of experience, Florestal Alimentos S.A. – a leading company in the manufacturing and selling of flat lollipops in Brazil and one of the largest candy producers in the country – currently boasts a substantial share of the domestic and international market, directing its exports to over 80 countries on five continents.

Its headquarters encompass 51,000m² in the industrial city of Lajeado, Rio Grande do Sul State. Florestal Alimentos S.A. invests heavily in state-of-the-art technology in order to develop new processes and train its employees. The company is

in step with the most diverse market demands and stays up-to-date with trends and consumer preferences. Its dynamic management considers essential to maintain a market friendly sales policy, a close relationship with human resources, a notion of social responsibility and a commitment to the environment. After all, Florestal Alimentos S.A. was the first company in the market of candy and lollipops in Latin America to become ISO14001 certified. Florestal deep tradition reaffirms its commitment to quality and innovation – important pillars that contribute to the company's image in Brazil and abroad.
