"CON AMOR PARA TI"♥

We are a Mexican company that opens its doors to the public in 2016 with the aim of offering the best quality of healthy products for the most demanding palates.

We care about the health of consumers and the promotion of real food. Aware of our environment, all our packaging is friendly to the planet.

At mussi we promote a healthy lifestyle.

At mussi we take care of each and every one of the ingredients we use.

We support indigenous communities from Chiapas, Oaxaca and Tabasco.

.  
We use the best quality and without adding any type of oil, sugar or preservatives.

We are what we eat, that is why we believe that nutrition and eating with education is transcendental, for the same reason we promote rich and highly nutritious products.

### 1. Ally against cancer

Eating 30 grams of peanuts reduces the risk of cancer three times, due to its high content of antioxidants and beneficial fatty acids.

### 2. . Diabetes

Ideal for people with diabetes due to its low glycemic index.

### 3. Fight cholesterol

Monounsaturated fatty acids help lower bad cholesterol and maintain good cholesterol.

### 4. Friend of the heart

75% of its fat is fatty acids monounsaturated. A Harvard study found that peanuts can reduce disease-related mortality by 19%.
