Our Açaí is made from the pulp of the fruit itself coming from Pará, a Brazilian region recognized for growing the best fruit, ensuring traceability and high quality.

Panchef, an exporter from Maringá, has been growing rapidly, increasing the number of customers around the world and helping in the advancement of the food industry. We supply our customers only with high quality products. For 32 years working in the food market, INGAPAN wins day after day the credibility of its customers.

Our mission is to establish a relationship of respect and loyalty with the customer by providing quality products at competitive prices, as well as fast and quality services.

# Pan Chef

# Variety

Panchef also stands out with a varied product portfolio that includes Pitaya Cream, Cupuassu Cream, tradicional Popsicle and dozens of Food Services Açai flavors. This is how the brand stays full of energy, taking freshness and innovations to the world and reinventing itself every day. A great opportunity for the distributor who wants to offer the Brazil's tropical flavor with products that put quality first.

## CUPS

200ml açai ultra tasty and a doubt: with or without:

### GRANOLA

## POPSICLES

Made from Açai Plant fresh from Brazil.

AÇAÍ POPSICLES traditional fruity guarana flavor

## POTS

1 L to enjoy at home or on the go  
For you try several recipes, let's go 2 liters

## BUCKET

If the guys asks for Açai 1 is good, 2 is great, but 3,6 liters takes the cake.

## BOX

Since we are going to Join forces you will need açai in larges amounts.

## Food Service Line

## BUCKET

We have boxes of 5 and 10 liter, and bucket of 10 liter.
