# GOURMET CHOCOLATE FROM COSTA RICA

Nahua (pronounced /na:wa) is Costa Rica's leading brand of fine artisan chocolate.

Our chocolates are produced with unique single origin Trinitario cacao beans nurtured to their full-bodied flavor potential through a meticulous post-harvest process. We then add rich variety of ingredients to our bars and truffles to provide a unique gourmet experience to chocolate loving customers. Working directly with select local farming communities, our Cacao Renovation Program helps improve the lives of smallholder farmers by providing valuable technical training and access to financing. Our program also focuses on preserving the environment by promoting sustainable farming practices, reforestation and the conservation of natural ecosystems.

Enjoy Nahua chocolate, where good taste is doing good!
