## CEO / FOUNDER

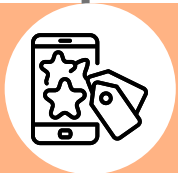

A seasoned Business & Human Resources Strategist boasting over two decades of expertise across diverse aspects of business, human resources, and IT.

My objective is to revolutionize the business and human resources realms through strategic process enhancements, underpinned by the integration of technology into key service delivery components.

The goal is to equip fellow leaders, entrepreneurs, and business owners with the essential knowledge, skills, and tools required to fortify their enterprises through the adept adoption of technology.

# The Process

1

## BOOK CONSULTATION

Booking a consultation session with Triple M Co. is essential for determining if our services align with your organizational requirements.

2

## FOLLOW-UP

Triple M Co. follows up with you to determine readiness to start a collaborative partnership towards your organizational needs.

3

## DRAFT, ACCEPT & SIGN CONTRACT

Once our services have been retained contract documents are drafted, organization reviews with their legal team and signs and we can now start collaborating towards your organizational needs.

# Benefits

Triple M Co. offers you the advantage of tapping into the expertise of freelance consultants, each boasting over two decades of experience in their respective fields when you choose to collaborate with us.

By partnering with Triple M, you not only gain access to our network of local and regional partners but also benefit from our global reach. Networking is ingrained in our core foundations and we have diligently fostered connections in North America, Asia, Europe, and Egypt to extend our global presence.
