

Foreign Trade Management
and Outsourcing Services for
MMSEs

How we can help you?

We are a company aware of the necessities that the Pymes have to face when they want to open to an international business and the new challenges that involves the International trade.

Due these necessities we have developed specialized services to any kind of industry with trained staff in different areas:

- International procurement (Product development, Suppliers development)
- New suppliers searching (Services and Products)
- Import and Export in latinamerica (Panamá, Ecuador, Perú, Colombia)
- NOM's (Mexican Oficial Standards)
- Operative outsourcing (Import & Export Managment)
- Government relations (Profeco, Cofepris, Economía, SAT)
- Consulting for Import and Export process in LATAM countries

Import & Export Consulting

- ✓ Tariff Harmonized Code
- ✓ International Trades
- ✓ Non-tariff Restrictions and Regulations
- ✓ Labeling Products
- ✓ Costs Control
- ✓ Customs Taxes

Suppliers Searching

We help you to find suppliers on the following countries:

- CHINA
- INDIA
- VIETNAM
- JAPAN
- LATAM

Operative Outsourcing

As we know the most important for you is to focus in your business, we support you to coordinate all your shipments since the first step: Purchase planning, Products development, Production Supervising, International Logistics, Import and Export process, Fiscal warehouse.

With the certainty that you diminish the possibilities that the authority to set a PAMA (Administrative Procedures in Customs Matters), Cancellations of the importers registration and Accompaniment in case of audits by the authority or Reviews of Profeco etc.

Export Project Development

Begin export involves knowledge of the target market, investment and operational risks. When we accompany a MMSEs in this process, we take care to review the compliance requirements in the target country, taking care of the costs from the sales Incoterm, review and suggestions of the Customs Agents with which it can work, tariff code review, restrictions not tariffs, health certificate and labeling for the final sale
