

About

Sistá Exotic Brands is located in Panama, Central America. We specialize in Authentic Hot Pepper Sauces and Seasonings. All of our products are all-natural, hand crafted in small batches using only the freshest high quality ingredients.

Company Overview

Sistá Exotic Brands is Panama's premier producer of all natural gourmet artisan pepper sauces, and seasonings. As an independently women owned and operated small family business, we pride ourselves on bringing you the best in authentic "taste" sensations created in traditional ways. Each batch of Sistá Exotic Brand products is crafted with a "love" that we know you will be able to taste.

The Story

Elsie Black Wong, Affectionately Known as Sistá(sister) by friends and family, was born In Colón, Panama of Jamaican-Asian parentage. Sistá used local peppers and spices to perfect this truly exquisite recipe over 70 years ago. Word of this tasty sauce began to spread and requests from many areas began to grow. Sistá has left her legacy by passing down her traditional recipe to her family. Today, Sistá 100% Natural Pepper Sauce is hand crafted in small batches using fresh high quality ingredients from the tropical paradise of Panama. Sistá 100% Natural Pepper Sauce is currently exported to Sweden and the USA.

Mission

Our mission is to create authentic tasty gourmet Panamanian food products and share them with the world.

Our Philosophy

Great tasting food depends on fresh, delicious, high quality ingredients. We do not use any artificial ingredients, colors or preservatives in our products.

Social Responsibility

Sistá Exotic Brands is committed to strengthening community relation while supporting the environment through continuous improvement initiatives. Quality control, food safety, an environmentally friendly process, and local farmer support activities are applied to meet the highest industry standards.
