Vita Frying Oil

Vita Frying Oil is specially produced for industrial consumers in state-of-the-art refining facilities. Thanks to its 100% vegetable structure, which does not contain water and milk, it only melts when heated enough, and thus products fried with Vita Frying Oil become crunchy and crispy. Thanks to its neutral structure, Vita Frying Oil does not leave odor, does not allow foam formation, does not cause blackening and burning; allows for repeated use.

Vita Sunflower Oil

With over 50 years of experience, Vita brings the essence of the sunflower plant, which gets its energy and color from the sun, to your tables. Vita Sunflower Oil, which is the most suitable oil for all kinds of meals and frying, is one of the healthiest vegetable oils with its low saturated fat content and zero cholesterol value. Vita Sunflower Oil, which helps to protect the immune system thanks to the vitamin E it contains, adds color to your tables with its lightness and taste.
