Trading & Logistics Argentina

Opening New Doors to Global Trade.

www.tradingandlogistic.com

Our

Vision

To be the bridge between Argentine companies and the world, also for those foreign companies that wish to buy from local suppliers.

Mission

Transforming opportunities into reality, taking advantage of the current political and legal environment combined with Argentina's historic export potential.

The company

- We are a team of professionals with vast experience in sales and operations.
- We have developed years of learning and research in commercial and operational matters and now we want to take it to the next level: to our clients.
- T&L is a growth partner through the development of new markets.

The New Argentina:
Stability
and
Growth

Stability

In 2024, Argentina enters a period of legal and economic stability with the new government.

Growth

The restructuring of the state and the economy have created favourable conditions for international trade, offering new opportunities for Argentine exporters.

Our Services

Solutions in:

■ Trade & ■ Logistic

We offer customized trade and logistics services for Argentine companies that wish to export but do not have a foreign trade office or access to international logistics.

Our services include: International client search, commercial representation, logistics coordination and advice on compliance with international regulations.

We also help foreign companies find local suppliers.

Key sectors

Argentina is a world leader in the export of products such as:

Soybeans and By-Products, Corn, Wheat and Vegetable Oils.

Barley and Malt.

Automobiles and Auto Parts.

Shrimp and Seafood.

Wine and Beef.

Beef and Dairy Products.

Minerals and Metals.

Chemical and Petrochemical Products.

Honey, Fruits,

Olives and Olive Oil.

Among others.

Argentine suppliers

We work with reliable, high-quality suppliers, internationally recognized for their standards and production capabilities.

Our partners are ready to take advantage of the new market conditions and expand their global operations.

Freight Forwarder

Our logistics partner is an international forwarder with offices in more than 9 countries.

And with agencies around the world.

A Future of Opportunities Together

We are ready to collaborate with your company and explore together new growth opportunities in the global market.

And to bring international buyers to the local market.
