

## PRODUCTS & PARTNERS

### THE DELCO ADVANTAGE

State Of The Art Manufacturing | Field Services  
Department | 24/7 Service & Support Availability  
Water Treatment Technologies | Customized  
Solutions | Containerized Plants | Mobile Rental  
Fleet | Conventional Filtration | Biological  
Filtration | Membrane Filtration | Piloting Services  
WastewaterTreatmentSystems | Project Management

### DELCO WATER'S CORE TECHNOLOGIES

- Reverse Osmosis
- Nanofiltration
- Ultrafiltration
- Biological Filtration
- Media Filtration
- NanoFx
- Containerized Plants
- Mobile Rental Fleet
- Filtration Skids
- Calcite Contactors
- Membrane Contactors
- Service and Support
- MBR
- MBBR

## Our Partners

Delco Water partners with the following companies to provide safe drinking water to communities while building positive business relationships and partnerships.

### Filtration

Pentair  
Amiad  
Harmsco

**FILTRALITE**

**GRUNDFOS**

### Filter Media

Filtralite  
Manganese Greensand  
Granular Activated Carbon  
Activated Alumina  
Ion Exchange Resin  
NextSand

### Valves

Bray  
Keystone  
Georg Fischer

### Ultraviolet Disinfection

Neotech  
Viqua

### Chemicals

Antiscalants  
Corrosion Inhibitors  
Coagulants  
Polymers  
Membrane Cleaners  
Potassium Permanganate  
Reagents  
pH Adjustment  
Disinfection

### Chemical Systems & Supply

Chemical Feed Panels  
Grundfos  
Stenner  
Blue & White  
Spill Containment  
Calcite Contactors

### Water Analysis & Instrumentation

Hach  
Endress & Hauser  
Siemens  
SWAN

### Membrane Technologies

Dupont  
GE/Suez  
Hydranautics

### Degassifiers

3M

Calgary | Saskatoon | Humboldt | Winnipeg

### Operations:

#### Saskatoon, Saskatchewan

3714 Kinnear Place
