Introduction

We are a company based in Guadalajara, Jalisco, Mexico, with the interest of introducing to the national and international markets a new variety of products under the highest quality standards. These are mainly derived from the Nopal.

TMN is a company which aspires to offer innovative food products to the market and become a leading producer, transformer and marketer of fresh products and their derivatives, using traditional Mexican ingredients, active ingredients and more ...

We are committed to honesty, responsibility and punctuality, always hoping to be in the client's preference, always caring about our customers and / or suppliers.

The Nopalissimo logo consists of the word 'Nopalissimo' in a green, sans-serif font. A small green cactus icon is placed above the 'i' in 'lissimo'.

Nopalissimo! Is the result of this project, full of hopes and values that we hope catches your interest.
